Human Resource Selection Gatewood,2015 Recruitment and Selection in Canada Victor Michael Catano,2009 Nelson Education's market leading Human Resource Management Series is the only opportunity that students and practitioners have to own a complete set of HRM books standardized in presentation that enables access to information quickly across many HRM disciplines Recruitment and Selection in Canada provides a complete and thorough introduction to current recruitment and selection practices in a readable non technical style that minimizes scientific jargon and focuses on basic concepts This text is designed to meet the needs of both students and practitioners working in human resources and provides an up to date review of the current issues and methodologies that are used in recruiting and selecting employees for Canadian organizations *Human Resource Selection 5e Im* Gatewood,2000-11-01 **Human Resource Selection** Robert D. Gatewood,Hubert S. Feild,1994 This leading text offers an advanced treatment of the technical issues involved in developing and implementing selection programs within organizations The new edition offers the most thorough and up to date coverage of HR selection on the market and is appropriate for upper level undergraduate and graduate courses in management and industrial organizational psychology departments as well as for corporate HR departments **Selection in Human Resource Management** Murray R. Barrick,Hubert S. Feild,Robert D. Gatewood,2013 Selection of Candidates as a Function of Human Resources Management in the Company Darko Lugonja,2011-08-19 Research Paper undergraduate from the year 2010 in the subject Business economics Business Management Corporate Governance University of Zagreb Institute of Economics course MBA Human resources management and development language English abstract Contemporary business management is based on management of resources particularly human resources Planning recruiting and selecting candidates are key human resource functions Business leaders are continuously engaged in the process of reconsidering roles and goals managing the business in the most appropriate way Selection based upon internal candidates recruitment was a rule in a lack of certain employees profiles But solving the human resources insufficiency problem we often refocus our attention to external candidates recruitment and selection Besides contacts and collaboration with media and recruitment agencies we also need strengthening of our own potentials Selection through our own human resource department or engagement of selection agency professionals is a routine but when we have to cope with several constraints like human resources and financial resources limits then we have to rely on selection approach more flexible and adaptive to occasions Media support at least an adequate Internet promotion lead to rising number of candidates applications But choice of the right candidate is the art we have to accept the fact 3 C concept Cost communication and concept itself may help in improvizing our candidate selection process Internet ensures wide communication to candidates through social networks and Internet generally but is not enough when focusing our attention to candidates and their potential In order to ensure choosing the right one or at least to follow the rule not to choose the wrong candidate nor to exclude the right one

Systematic approach ensures planned results and candidates choices so we have to be aware of the fact that further development and focus onto new potentials and resources are basics for our business survival Keywords human resources candidate selection recruitment external resources 3C concept Internet
