
How to read this manual

Signal in this manual

To ensure correct and safe use of this equipment, this operator's manual describes safety precautions according to the three levels shown below.

You should fully understand the meaning and importance of these items before reading this manual.

Warning	Indicates a potentially hazardous situation which, if not avoided, could result in death, serious injury, or serious damage, or fire in the equipment or surrounding assets.
Caution	Indicates a potentially hazardous situation which, if not avoided, may result in minor or moderate injury, partial damage of the equipment or surrounding assets, or loss of data.
Note	Indicates information to which you should pay attention when operating the equipment.

Other than the above, this manual also describes information that may be useful for the operation of this equipment with the following signage:

Tip	Describes handy information that is useful to know when operating the equipment.
	Pages describing items related to what you are currently doing. See these pages as required.

Description of original/paper direction

Paper or originals of A4 size can be placed either in a portrait direction or in a landscape direction. In this manual, "R" is added to this paper size when this size of paper or original is placed in a landscape direction.

e.g.) A4 size original on the original glass

Placed in a portrait direction: A4

Placed in a landscape direction: A4-R

Paper or originals of A3 or B4 size can only be placed in a landscape direction, therefore "R" is not added to these sizes.
