The purpose of this letter is to verify that as the parent of the above named student, I have elected to Home School my child.

I understand that the Texas Supreme Court has ruled that a child who is home schooled is exempt from compulsory attendance in public schools.

I understand that I am responsible for assuring that a curriculum consisting of books, workbooks, or other written materials designed to meet the basic educational goals of reading, spelling, grammar, math, and a course in good citizenship shall be pursued in a bona fide manner.

While the district does not offer specific direction on home schooling guidelines, we provide the following Texas Education Agency link for your reference:

I understand that the Northside Independent School District is ready, willing and able to provide a free, appropriate public education to your child, which will be available should you choose to enroll. The placement of students who return to the Northside Independent School District from home school shall be consistent with placement of students from any unaccredited private school. The use of valid and reasonable assessment instruments and procedures for placement is permissible.
