Emancipating Andie English Edition:

Emancipating Andie Priscilla Glenn, 2013 Ever since the one time Andie Weber threw caution to the wind and paid the price for it she's learned that it's safer and smarter to live life playing by the rules. Now she's got a great apartment, a steady job and a wonderful boyfriend in Colin; he's sweet, stable and essentially perfect except maybe for the fact that his best friend is Chase. Chase McGuire lives his carefree, unstructured life strictly for himself. Dripping sarcasm and oozing wit, he refuses to censor his feelings or opinions for anyone, making no apologies for either and wearing his abrasiveness like a badge of honor. No one has ever gotten under Andie's skin the way Chase does and vice versa. So when Andie and Chase find themselves forced to take a two-day road trip together, they are already dreading an inevitable all-out war. But as the trip progresses and the undeniable friction that has always defined their relationship slowly begins to wear away their preconceived notions of each other, Andie and Chase discover they both have a lot to learn about life, courage, happiness and the age-old battle between logic and love.

The Locker Room Amy Lane, 2011-04-22 Xander Karcek has only wanted two things in his life: Christian Edwards and basketball, the man he loves and the game that let him escape a childhood he'd rather forget. His two obsessions have served him well. He and Chris beat the odds and stayed together through high school, college and right on to the NBA. But life under fame's microscope isn't easy, especially when two men are pretending to be frat buddies so the world doesn't know they're the next best thing to married. Their relationship survives the sacrifices they make and the lies they tell to stay together, but when their secret is exposed, the fallout might destroy them when nothing else could. Chris and basketball are the two things holding Xander together. Now the world is asking Xander to make a choice. Is there an option that includes a future with the man he loves?

Mrs. Roosevelt's Confidante Susan Elia MacNeal, 2015-10-27 NEW YORK TIMES BESTSELLER In this riveting mystery from Susan Elia MacNeal, England's most daring spy Maggie Hope travels across the pond to America where a looming scandal poses a grave threat to the White House and the Allied cause. December 1941. Soon after the attack on Pearl Harbor, Winston Churchill arrives in Washington, D.C., along with special agent Maggie Hope. Posing as his typist, she is accompanying the prime minister as he meets with President Roosevelt to negotiate the United States' entry into World War II. When one of the First Lady's aides is mysteriously murdered, Maggie is quickly drawn into Mrs. Roosevelt's inner circle as ER herself is implicated in the crime. Maggie knows she must keep the investigation quiet, so she employs her unparalleled skills at code breaking and espionage to figure out who would target Mrs. Roosevelt and why. What Maggie uncovers is a shocking conspiracy that could jeopardize American support for the war and leave the fate of the world hanging dangerously in the balance. Praise for *Mrs. Roosevelt's Confidante*: MacNeal paints an engrossing portrait of a country on the verge of war with many laws suspended and prejudice rife, a world not that much different from today.
