When loved ones go missing the lives of their family members are turned upside down As the days and months turn into years some families are caged in by their grief while others become proactive renewing police contacts keeping up with the latest technologies and educating themselves as they strive to become their long term missing persons advocates By inspiring hope as well as providing answers and practical advice *The Long Term Missing Hope and Help for Families* assists families in navigating the uncharted territory they never chose to enter Author Silvia Pettem also provides families with information to better understand how law enforcement and related agencies work to solve missing persons cases Along the way she takes her readers behind the scenes while emphasizing that every unidentified person is a missing person to someone else With real cases both solved and unsolved the book also illustrates the resources available and the actions that family members civilians and law enforcement agencies can take to search for long term missing persons to identify previously unknown remains and to bring the missing persons home *The Long Term Missing Hope and Help for Families* inspires hope and gives answers as it empowers family members of long term missing persons to be proactive and to become their missing persons advocates

*Its Only Blood* Anna Dahlqvist,2018-05-15 Across the world 2 billion people experience menstruation yet menstruation is seen as a mark of shame We are told not to discuss it in public that tampons and sanitary pads should be hidden away the

blood rendered invisible In many parts of the world poverty culture and religion collide causing the taboo around menstruation to have grave consequences Younger people who menstruate are deterred from going to school adults from work infections are left untreated The shame is universal and the silence a global rule In It s Only Blood Anna Dahlqvist tells the shocking but always moving stories of why and how people from Sweden to Bangladesh from the United States to Uganda are fighting back against the shame

**The Anglophone Question and Postcolonial Hegemony in Cameroon** Lyombe Eko, 2025-01-15 The Anglophone Question Postcolonial Hegemony in Cameroon The Past that Did Not Pass is a comprehensive collection of essays and analyses that explore the historical colonial postcolonial legal and international relations aspects of the politico cultural and linguistic crisis between the English speaking former British Southern Cameroons now divided into the Northwest and Southwest regions and the French speaking majority of the former French Cameroon la R publique du Cameroun This conflict has shaken Cameroon to its core since the 1990s and led to an armed conflict between the government of Cameroon and Anglophone non state armed groups The premise of this book is that the Anglophone Question the problematic situation of the muted English and Pidgin speaking minority in French Cameroon is one of the unfinished items of business of World War I and the Treaty of Versailles of 1919 that resolved the conflicts of that great conflict The Anglophone conflict has been exacerbated by the authoritarian republican chieftaincy that was installed in Cameroon after independence and reunification This neo patrimonial kleptocratic regime of Cameroon has with the support of its international partners emphasized the argument of force rather than the force of argument thereby creating yet another frozen African conflict The Anglophone Question cannot vanish by some political maneuver as Cameroon s senile nonagenarian president has done over the decades with his ossified knee excruciatingly painful on the nation s neck That is my takeaway after reading this insightful well argued exhaustively researched highly intellectualized yet practical compendium of chapters that bear an unapologetic witness to the horrific Anglophone Problem I celebrate the authors fearlessness articulation and lucid presentation as the establishment continues to seal its ears with candle wax I ll reverse President Paul Biya s mantra and say Rule 1 There is an Anglophone Problem Rule 2 When in doubt consult Rule 1 Uche Onyebadi PhD Texas Christian University Texas USA

Israeli Discourse and the West Bank Elie Friedman, Dalia Gavriely-Nuri, 2017-10-19 How can irregular political situations which impact the lives of millions become normalized Specifically within the context of the Israeli Palestinian conflict how can 50 years of Israeli control over the Occupied Territories become accepted within Israeli society as a normal possibly even banal phenomenon Conversely how can such a situation be estranged from daily reality denied any relation to who we are This volume explores these questions through the lens of two central discourses that dominate the Israeli debate regarding the future of the Occupied Territories 1 Occupation Normalization Discourse which portrays Israeli control of the territories as a normal part of life 2 Occupation Estrangement Discourse which portrays this situation as distant from Israeli reality In addressing these discourses the authors develop a

new methodological tool Dialectic Discourse Analysis which examines discourse as a process of perpetual positing and synthesis of oppositions through the discursive construction differentiation and mediation of self and other Through this approach the authors illustrate that these discourses are dialectically constituted in opposition to one another feeding off one another each enabling the other to exist This dynamic has resulted in a fixed discourse preventing any progress towards a synthesis of oppositions

*The Routledge Handbook of Museums, Heritage, and Death* Trish Biers, Katie Stringer Clary, 2023-07-26 This book provides a comprehensive examination of death dying and human remains in museums and heritage sites around the world Presenting a diverse range of contributions from scholars practitioners and artists the book reminds us that death and the dead body are omnipresent in museum and heritage spaces Chapters appraise collection practices and their historical context present global perspectives and potential resolutions and suggest how death and dying should be presented to the public Acknowledging that professionals in the galleries libraries archives and museums GLAM fields are engaging in vital discussions about repatriation and anti colonialist narratives the book includes reflections on a variety of deathscapes that are at the forefront of the debate Taking a multivocal approach the handbook provides a foundation for debate as well as a reference for how the dead are treated within the public arena Most important perhaps the book highlights best practices and calls for more ethical frameworks and strategies for collaboration particularly with descendant communities The Routledge Handbook of Museums Heritage and Death will be useful to all individuals working with studying and interested in curation and exhibition at museums and heritage sites around the world It will be of particular interest to those working in the fields of heritage museum studies death studies archaeology anthropology sociology and history

**Social Media and Democratization in Iraqi Kurdistan** Munir Mohammad, 2019-10-15 Social Media and Democratization in Iraqi Kurdistan assesses the implications of social media usage for democratization in the context of Iraqi Kurdistan A considerable number of studies examine the impact of social media on the practice of democracy in liberal democratic contexts and on the democratization process in nondemocratic contexts However little is known about the rise and implications of using the Internet and social media platforms for democratization processes in a hybrid political system like that of Iraqi Kurdistan which combines elements of both democracy and authoritarianism The author investigates the use of social media platforms by citizens politicians electoral candidates and political parties and its significance for political participation and political communication which are selected as important elements of democratization Based on original qualitative research including interviews with activists politicians and party leaders and an analysis of relevant social media content in the Kurdish language especially on the social media platform Facebook the author argues that rather than the increase in online political participation and political communication contributing to the consolidation of democracy in the Kurdish nascent democracy it is increasing political polarization exacerbating incivility of political discourse and enabling monitoring of opposition forces by the authorities
