Faith Study Guide Kenneth Hagin In Word:

Bible Faith Study Course Kenneth E. Hagin, 1974 **The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism **Prosperity Gospel?** Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today God's Irresistible Word Kenneth W. Hagin, Jr., 1989 This powerful book brings a fresh awareness of the unchanging irrefutable power in the Word of God *From a Stage Iii-Iv Cancer to Recovery* Ambayeba Muimba-Kankolongo, 2015-03-06 Four years ago my health began deteriorating with a blood pressure reaching 200/250 I became anemic lost about 20/23 kilograms within a short period and

developed severe abdominal pain followed by rectal bleeding I was told I had a large rectal tumor that needed to be urgently removed I was shocked and frightened I traveled to Canada for a second opinion After laboratory tests it was a stage 34 colorectal cancer nearly obstructing my large bowel I was subjected to an aggressive long cycle radiation and chemotherapy treatment followed by complex surgeries for years after which I was declared cancer free While in the hospital particularly following the nine hour surgery for tumor removal I could not regain rapidly my vital signs meaning I was dead in medical terms However by the Lords grace I opened my eyes My spouse and I had several dreams pointing to a spirit of death rooming around me As the scripture in Job 33 1418 says For God does speak now one way now another in a dream in a vision of the night when deep sleep falls on men as they slumber in their beds He may speak in their ears and terrify them with warnings I surely knew that believing in the Lord Jesus Christ and having faith in the Heavenly Father will instantly turn my desperate situation into a joyful one I committed my time to reading regularly the Bible and my family relatives and friends all over the world prayed for my healing and recovery As written in Psalms 130 1 Out of the depths I cry to You O Lord Together we pleaded unto him and he lifted me from down the valleys to the tops of mountains Continual prayers acted as a strong medication to cure the illness

Global Pentecostal and Charismatic Healing Candy Gunther Brown, 2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly. This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing. Contrary to popular stereotypes of flamboyant fraudulent anti-medical faith healing televangelists who preach a materialistic health and wealth gospel, handle serpents or sensationally exorcise demons, this book offers a more nuanced portrait. The collected essays illumine local variations, hybridities and tensions in practices on six continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources. This is the first book of its kind. Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation. This volume's distinguished international team of contributors includes sociologists, anthropologists, historians, political scientists, theologians and religious studies scholars from North America, Europe and Africa. Read together, these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today: globalization, pentecostalism and healing, each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways.

Christ's Teaching of Judgment to Christians David Rivington, 2017-07-06 Christ's Teaching of Judgment to Christians by David Rivington. The most terrifying words ever spoken by the Lord Jesus Christ were spoken to Christians to His own disciples when He said: Not everyone who says to Me, Lord, Lord, shall enter the kingdom of heaven, but he who does the will of My Father in heaven. Many will say to Me in that day, Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name? And then I will declare to them, I never knew you; depart from Me, you who practice lawlessness. Matthew 7:21-23. What does Jesus mean? What are Christ's warnings to professing 21st century Christians today? This book is written to answer Christ's own teaching to these questions and God's judgment upon every professing Christian I know of. No chapter in all of Scripture which needs to be taught and explained to Christians in this modern superficial and confused Church age more than Matthew chapter 7. David Rivington

The Believer's Guide to Salvation Larry Craddie, 2020-04-15 This book is designed to give guidance and more understanding of God's word. This in return will enhance your spiritual life. It goes into detail for each subject and discusses activities a confessed believer should engage in. One of the greatest emphasis in the book is placed on your ability to believe. This is by God's grace. For grace are ye saved through faith, and that no yourselves; it is the gift of God. Eph 2:8. The book will enhance your understanding of just what is happening to you as a chosen vessel of God and that Christ through your faith and God's design is truly in control of your life, looking unto Jesus, the author and finisher of our faith. Heb 12:2. As mentioned, the book goes into detail about the things a confessed believer should engage in. These are things that are pleasing to the Lord. If the things mentioned are abided in, the Spirit will become more and more evident in your life. We have

a short time on earth to prepare for our eternal future This book with the help of the Spirit is designed to help in the preparation for eternal life This book is dedicated to my beloved father and brother Frank Craddieth Sr and Lamond Craddieth **Words on Cassette, 2002** R R Bowker Publishing,2002 **Subject Guide to Books in Print** ,1991

Hollywood Faith Gerardo Marti,2008 The author shows how a multiracial evangelical congregation of 2 000 people accommodates itself to the entertainment industry and draws in many striving to succeed in this harsh and irreverent business Hollywood s Oasis Christian Center strategically sanctifies ambition and negotiates social change by promoting a new religious identity as champion of life An identity that provides people who face difficult career choices and failed opportunities a sense of empowerment and endurance This book explores the modern evangelical movement and shows how religion adapts to social change **The 'Spiritual Death' of Jesus** William Atkinson,2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity **Faith Food: Daily Devotions for Autumn** Kenneth E. Hagin,1977 Autumn is a time to make new plans and set new goals Make a decision to feed yourself daily with the Word of God and watch God bring His purposes and plans to pass in your life **Importing Faith** Glyn J. Ackerley,2016-07-28 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and Godsent financial provision Many have left the mainstream churches to join independentcharismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith This study discovers the origin of the principles that are taught by some charismatic leaders Glyn Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism These principles were imported into the UK through contact between British leaders and those influenced by American word of faith teachers Glyn Ackerley explains the persuasiveness of such teachers by examining case studies suggesting their miracles may well have socialand psychological explanations rather than divine origins **The Will of God in Prayer** Kenneth E Hagin,2003-03 This study guide will instruct believers on how to use the Word in prayer and get results *It's a New Day* Scott Billingsley,2008-04-22 Examines how popular American religious leaders navigate problems of race and gender in society
