

Hell no, bro, that's not the real key to your chastity.
I'm wearing this so you don't forget who is the boss.
Your key is kept in a safe place.
Somewhere you can never find it.
But don't worry, it's really safe.
Maybe one day I will decide to open your cage...
it won't be soon, of course.

Kimberly McKay, 2012-08-21 What if you had done something so unimaginable in your past that you felt you could never be forgiven John Mikale a man with a checkered reputation can't begin to shake his guilt for the hurt he's caused his daughter Chastity and how it scarred so many people in its wake Although an uphill battle John diligently strives to make up for lost time by writing Chastity letters hoping to bridge the gap John who's now married and expecting another child is haunted by cryptic dreams from which he awakes in terror Driven to become a better man he forces himself to face his nightmares and the reality they represent Searching for decency within and hoping for a flicker of acceptance from Chastity is the only way he knows to release his past and heal both their wounds But how can he expect forgiveness when he can't begin to forgive himself for the hurt he's caused Chastity Wayne finally free from her mother's past is ready to move on with life On the verge of a great relationship and about to start her burgeoning art career she's sucked back into her family saga as she breaks her personal promise never to read her father's letters From the moment the first envelope is opened the emotional freedom she's tried so hard to find is slowly reclaimed word by word Facing Redemption is a dual storyline that follows the path of an unwanted father and daughter's journey through a trail of self-awareness and final acceptance It is also a continuance of the many unanswered questions from Finding Kylie book one in this series WARNING I write about characters that struggle with real life issues My characters to date have never done the deed In fact they've chosen the right path with abstaining from their desire for the right reasons However this book will touch on the subject so be aware Why does a Christian author talk about such things I believe Christians are sinners and we're saved by God's grace We're NOT going to be white as the driven snow and if you think Christians should be you're kidding yourself HOWEVER I believe by accepting Jesus that God gives us the strength and desire to be more like Him when we're searching for His influence in our lives We're not all going to be there out of the gate and even when we do finally reach that point we're going to fall and stumble Why Because we sin It's human nature Even if we don't want to we're going to mess up That's the beautiful thing about building a relationship with God He takes us where we are hence characters in this book who are going to say something or do something questionable and brings us to where He wants us to be Isn't that what it's all about Knowing that we all can come to Him no matter how badly we've screwed up This is the whole point of GRACE So heads up to those who have been offended by this or those who may be offended by this please know God loves all of us right where we are and that's whom I'm called to write about
