Discovering God's Plan For Your Life Gina S Valdez, 2019-08-11 We were all created by God in His image And when He created us He had a plan and a purpose for our life the Bible tells us in Jer 29 11 For I know the thoughts that I think towards you says the Lord thoughts of peace and not of evil to give you a future and a hope we know that God s plan for us is good if we find ourselves struggling and stumble this is what it says in 1 Pet 2 8 They stumble being disobedient to the word to which they also were appointed it seems that when bad things happened people want to blame God for it it s not God s fault He did everything to help us He gave us His only begotten Son that died for our sins so we can have eternal life 2 Cor 5 15 And He died for all that those who live should live no longer for themselves but for Him who died for them and rose again He gave us the Bible which gives us the knowledge to have a good bless life and for us to fulfill the will of God for our life If we choose not to read it to get the knowledge that we need then that s our fault The Bible tells us My people are destroyed for lack of knowledge Hose 4 6 One of the plans that God has for us is for us to be saved and then be used for His glory Eph 2 10 For we are His workmanship created in Christ Jesus for good works which God prepared beforehand that we should walk in them John 14 12 Most assuredly I say to you he who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father 1 John 2 17 And the world is passing away and the lust of it but he who does the will of God abides forever Our life here on earth is only temporary We should seek God s plan for our life s it will lead us to eternal life This book will reveal the truth from the word of God how to fulfill the plan that God has for you and as you apply it your life will be transformed

Danner, 2020-10-16. Most of my life I looked for facts to justify my faith and quantify God until one day I asked God if He was real and He removed all doubt from the inside out. This book is the story of my walk toward God and ties together some of the major themes and mysteries of the Bible that relate to the Christian life. It may help you to understand who God is, who we are, and what God's plans are for planet earth and to each of you. It affords a different perspective of biblical truth and is intended to expand our understanding of reality by looking at what God says is true. Jesus said He came so that we could have life and have it more abundantly. Eternal life will definitely do that, but there may be more that can be experienced now. It is written that as a man thinks so is he, and for lack of knowledge a person perishes. Believing the truth will set us free here and now and leads to eternal life when we pass over. This book is comprised of over thirty years of notes and studies I have collected while attending and teaching Bible studies at several different denominations in several different states and in Spain. The book ends with a look at prophecy that has come to pass and prophecy of future events. Trusting God's Plan Brittany

The book is about the importance of knowing God's will for one's life which is paramount in having a harmonious and fulfilling relationship with God. When there's uncertainty concerning the will of God in any aspect of one's existence it results to confusion and anxiety. Too many Christians go through life and never realize God's perfect will during their sojourn in time. In doing so believers are robbed of the privilege of experiencing God's best for their lives. It also deprives them of having an overcoming fruitful spirit-filled joyful and peaceful life. Not discerning God's perfect will for your life will cause you to live far below your rights and privileges in Christ. The recognition of God's purpose for your life will provide a sense of identity, belongingness, vocation and guidance which serves to connect you to a higher purpose, the Kingdom of God. The truth is that not much attention is paid to this very critical area of Christianity today. However it is the very heart of efficient and authentic Christian living. Without a clear understanding of God's will in one's life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of Christ.
