

# Chapter Summary

## Party Development

- Late 1700s: Despite Washington's warnings, two political parties—Federalists and Democratic-Republicans—form
- Pre-Civil War: Conflicts over issues such as slavery cause divisions within nation's political parties; Democratic-Republicans split into Democrats and Whigs
- Post-Civil War: Republicans and Democrats emerge as the two dominant political parties
- Third Parties: Continue to impact the political scene, despite obstacles presented by the two-party tradition

## Party Organization and Functions

- Political parties are organized at the local, state, and national level
- Functions of political parties include recruiting candidates for public office, educating the public about issues, running and staffing the government, rewarding party loyalists with favors, watching over the party in power, and encouraging compromise and moderate government policies

## Party Nominations

- Caucuses—private meeting of party leaders; used early in our nation's history and in some states today
- Nominating conventions—official public meeting of a party to choose candidates for office
- Primary elections—party members select people to run in the general election; method most commonly used today
- Petitions—candidate is placed on the ballot if a certain number of voters signs a petition
