Parenting Your Kids with Grace (Birth to Age 10) Dr. Greg, Lisa

Popcak,2021-04-01 Believe it or not the Catholic family isn't primarily a human institution. It's a divine one. By uniting with the sacramental life of the Church, your common ordinary crazy family becomes something sacred: a domestic church. Family therapist and parent Gregory Popcak and his wife Lisa are back with *Parenting Your Kids with Grace*, building on their best-selling book *Parenting with Grace*, first published twenty years ago. This new volume draws on the same parenting principles and provides up-to-date research to guide parents through each stage of child development from birth to age ten. Practical, faithful, and humorous, *Parenting Your Kids with Grace* addresses four key questions: Are Catholic families called to be different from other families in the way we relate to one another in the home? If so, how? What does an authentic family-based approach to Catholic spirituality look like in practice? What can the latest research tell us about creating a faithful home and raising faithful kids? How can Catholic families be outposts of evangelization and positive social change? By checking our basic assumptions about parenting against both the Church's vision and what science can teach about living out that vision in healthy ways, we can discover God's plan for parenting healthy, godly kids.

Raising Kids for True Greatness Tim Kimmel,2006-05-08 You want only the best for your kids. And you want them to be successful. Sure, there's nothing wrong with that. But what if there was something more? Could your definition of success be leaving out the most important part? What about greatness? Where does it fit in? If you aim your children at anything less than greatness, you'll set them up to miss the whole point of their lives, says author Tim Kimmel. In *Raising Kids for True Greatness*, Kimmel turns the definition of success on its head and guides you in preparing your child for a life that will easily eclipse the goals of those who are merely successful. Learn how to prepare your kids for rich lives of true greatness by helping them find answers to life's three most crucial, life-changing questions regarding their mission, mate, and master: What are they going to do with their potential? Who will they spend their lives with? Who will they live it for?
