Olympus yes not only Kirk Well I guess that there are multiple factors can influence you and inspire the start playing Dive deep into your feelings what s where My most powerful motivator my Heroes Who s yours I recommend to read and watch as many materials about your guitar hero as possible before you get your guitar Why Because you ll wish your Heroes electric guitar It s so powerful feel this Learn more and more about Hero and you ll understand why Hero plays this instrument What s interesting at first glance all electric guitars are the same instruments Body neck can plugin into an amp and play with the effects what else The physics is the same convert sound waves into electric Where is the difference I d prefer to compare this case with cars Let s go and explore the difference
