 Dillon,2025-01-13 A guidebook to trekking the GR20 Corsica widely considered to be the most difficult of Europe's GR long  
 distance routes The 190km 118 mile trail from Calinzana to Conca traverses the island's mountainous heart and calls for both  
 fitness and experience Crossing remote and rugged mountainous terrain there is plenty of hands on scrambling and although  
 it is possible to stay under a roof every night it is recommended that trekkers carry backpacking kit The GR20 is presented in  
 16 stages of 5 to 18km 3 11 miles with low level options provided for a number of the stages It takes around a fortnight to  
 complete Also included are a handful of excursions to climb neighbouring peaks and link routes for those wishing to join or

contributors examine the many meanings of the term nomad through the study of food habits Food and beverage products have become just as nomadic as other objects such as telephones and computers whereas in the past only food and money were able to move about with their carriers Food industries have seized control of this trend to make it the characteristic feature of consumption outside the home always faster and more convenient the just in time meal what I want when I want where I want snacks finger food and street food The terms reveal the contemporary modernity and spread of food practices but they are only modified versions of older and more uncommon forms of behavior Mobility in the sense of multiple forms of moving about using public or individual and possibly intermodal means of transport on spatial scales and temporal rhythms which are frequent and recurring but variable responding to professional or leisure needs can serve as a basic premise in order to gain insight into the concept of food nomadism
