Nationalism in Modern Europe Derek Hastings, 2018-02-08 Nationalism has been without question one of the most potent political and cultural forces within Europe since the late 18th century Placing particular emphasis on transnational and comparative links Nationalism in Modern Europe provides a clear and accessible history of the development of nationalism in Europe from the French Revolution to the present The book situates nationalist ideas and movements in Europe firmly within the context of other signifiers of identity and belonging such as religion race and gender while also providing comprehensive geographic coverage across Europe It incorporates recent historiographical trends and debates as part of the discussion and includes 13 images 9 maps and a range of primary source excerpts for classroom use It is an essential volume for all students of the history of nationalism in modern Europe and a useful text for anyone seeking to

know more about modern European history in general

Liberal Roots of Far Right Activism Lars Erik

Berntzen, 2019-10-16 This book explores the anti Islamic turn and expansion of the far right in Western Europe North America and beyond from 2001 and onwards Driven by terror attacks and other moral shocks the anti Islamic cause has undergone four waves of transnational expansion in the period since 2001 The leaders and intellectuals involved have varied backgrounds many coming from the left uniting historically opposed sets of values under their banner of a civilizational struggle against Islam The findings presented in this book indicate that anti Islamic initiatives in Western Europe and the United States form a transnational movement and subculture characterized by a fragile balance between liberal and authoritarian values The author draws on a broad array of data sources and methods including network analysis and sentiment analysis to analyze the impact of the anti Islamic expansion and turn at a macro level and the theoretical implications for our understanding of the current far right flowing from this Offering an overview of anti Islamic activism the book explores the background of their leaders and ideologues provides an in depth look at their ideology online organizational networks and the views expressed by their online members as well as which emotions and messages continue to drive their mobilization The book will be of interest to scholars in the social movement field as well as political scientists sociologists and general readers interested in issues such as populism extremism and understanding the ways in which the contemporary far right challenges liberal democracies

The Grammar of Politics

and Performance Shirin M Rai, Janelle Reinelt, 2014-12-05 This volume brings together important work at the intersection of

politics and performance studies While the languages of theatre and performance have long been deployed by other disciplines these are seldom deployed seriously and pursued systematically to discover the actual nature of the relationship between performance as a set of behavioural practices and the forms and the transactions of these other disciplines This book investigates the structural similarities and features of politics and performance which are referred to here as grammar a concept which also emphasizes the common communicational base or language of these fields In each of the chapters included in this collection key processes of both politics and performance are identified and analyzed demonstrating the critical and indivisible links between the fields The book also underlines that neither politics nor performance can take place without actors who perform and spectators who receive evaluate and react to these actions At the heart of the project is the ambition to bring about a paradigm change such that politics cannot be analyzed seriously without a sophisticated understanding of its performance All the chapters here display a concrete set of events practices and contexts within which politics and performance are inseparable elements This work will be of great interest to students and scholars in both International Relations and Performance Studies

L'Islam et l'ordre du monde Amir Nour, 2022 Dans la succession d'idées que j'ai exposées dans la conférence précédente j'ai parvenu à une conclusion majeure posant un point d'interrogation aussi bien sur le destin de l'humanité tout entière que sur le rôle du musulman dans le dernier tiers du XXe siècle J'avais en effet affirmé la fin de cette conférence que l'Europe avait accompli des miracles dans le monde des découvertes et dans celui des sciences Mais elle a perdu en son for intérieur cette dimension qui lui procurait un confort d'contraction et soutien dans l'adversité car la rattachant l'existence de Dieu Si le musulman veut combler ce vide dans les âmes assoiffées les âmes avides de motivations nouvelles il lui faudrait d'abord lever son niveau celui de la civilisation pour pouvoir ainsi hisser celle-ci au niveau de la sacralité de l'existence le dis toutes ces paroles en tant que testament que je laisse Malek BENNABI Damas Syrie 28 Mars 1972 Sans doute le rôle du musulman par rapport à ce monde sera-t-il de le rassasier ou d'apaiser sa soif spirituelle condition toutefois qu'il satisfasse une exigence essentielle celle qui le ferait apparaître aux yeux de ce monde et de ceux de l'homme civilisé comme l'homme qui mérite la plus haute considération quand bien même il ne posséderait pas de missiles ou de bombe atomique Si cette condition première se réalise et que le musulman fait son retour sur la scène de l'histoire comme un homme civilisé Il pourra effectivement s'acquitter de la tâche de débarrasser l'homme civilisé du joug du matérialisme Extrait de l'ultime interview accordée par Malek BENNABI Tripoli Libye 24 janvier 1975 document inédit en langue française

An Introduction to World Politics Richard Oliver Collin, Pamela L. Martin, 2012-08-02 In today's world students need to know that there is more to politics than just politics This clearly written text introduces students to world politics as a combination of comparative politics and international relations in an increasingly interconnected globe and explores topics that are sometimes left out of the equation health care the status of children changing roles of women in the developing world and the interplay among population growth resources the environment and sustainable development Designed specifically for

introductory level students the book balances theory with authentic insights and examples that provide a compelling window into the struggles of citizens worldwide ***Violent Extremism*** Amir Rostami, Christofer Edling, 2024-07-15 *Violent Extremism* A Nordic Outlook illuminates the global issue of violent extremism with a particular focus on Sweden and the Nordic countries This concise volume leverages empirical research to uncover the mechanisms and dynamics driving violent extremism setting itself apart in a field often criticized for a lack of data driven analysis The contributors employ unique Nordic data to offer insights on violent extremism examining its organization the evolution of extremist groups online presence and societal impact Aimed at fostering a deeper understanding of the complexities of violent extremism the contributions draw on several social science perspectives to enhance prevention and intervention strategies This approach not only enriches our grasp of extremist organizations and individual paths in to or out of extremism but informs effective counter measures Essential reading for policymakers researchers and security professionals this volume offers practical empirical insights on tackling a pressing challenge in societies around the globe ***Europa*** Lutz Hübner, Malgorzata Sikorska-Miszczuk, Tena Štivicic, Steve Waters, 2013-10-10 *Europa* brings together four European theatres Birmingham Repertory Theatre UK Dresden State Theatre Germany Teatr Polski Bydgoszcz Poland and Zagreb Youth Theatre Croatia and four leading playwrights from each country Steve Waters UK Lutz Hübner Germany Malgorzata Sikorska Miszczuk Poland and Tena Štivicic Croatia This revelatory piece of theatre sets out to explore the possibilities of collaborative playwriting to produce a single work that is multi authored and multi lingual Drawing on first hand accounts including memories from the 1930s up to the present day the playwrights have collaborated to overcome language barriers and weave their separate languages into one single dramatic entity The resulting play engages with increased levels of debate about European identity versus national identity This edition features both the multi lingual and the English text and has an introduction by the dramaturg behind the project Caroline Jester ***The Language of Mass Shooter Manifestos*** Emily Powell, 2025-05-30 Bringing together scholarship from corpus linguistics forensic linguistics and criminology this book offers a nuanced exploration of moral agency in the pre crime narratives of offenders The volume seeks to complement existing literature in forensic linguistics which often explore criminal narratives elicited after the crime with the benefit of hindsight by examining texts written in the midst of events Analyses draw on a corpus of over 200 000 words of manifestos and diaries written by four lone attackers who perpetrated mass shootings and put together accounts of their lives and the preparation for their crimes Incorporating stylistic approaches to non fiction texts with those from corpus linguistics Powell explores the ways in which these texts influence perpetrators and future offenders and more broadly the role of narrative as it relates to harmful actions A closing section includes a taxonomy of moral agency which may serve as the foundation for future research on understanding agency responsibility and offending from a linguistic perspective This book will be of interest to scholars in forensic linguistics corpus linguistics stylistics and criminology ***We are All Africans Here*** Kristín Loftsdóttir, 2021-12-10

Europe is often described as flooded by migrants or by Muslim others with Western African men especially portrayed as a security risk At the same time the intensified mobility of privileged people in the Global North is celebrated as creating an increasingly cosmopolitan world This book looks critically at racialization of mobility in Europe anchoring the discussion in the aspiration of precarious migrants from Niger in Belgium and Italy The book contextualizes their experiences within the ongoing securitization of mobility in their home country and the persistent denial of racism and colonialism that seeks to portray the innocence of Europe *Europe and Its Shadows* Hamid Dabashi, 2019-10-20 Europe has long imagined itself as the centre of the universe although its precise geographical cultural and social terrains have always been amorphous Exploring the fear and fascination associated with the continent as an allegory Hamid Dabashi considers Europe to be a historically formed barricade against the world Frantz Fanon's assessment that Europe is literally the creation of the Third World is still true today but in more than one sense for the colonial has always been embedded in the capital and the capital within the colonial As the condition of coloniality shifts so have the dividing lines between coloniser and colonised and this shift calls for a reappraisal of our understanding of nationalism xenophobia and sectarianism as the dangerous indices of the emerging worlds As the far right populists captivate minds across Europe and Brexit upsets the balance of power in the European Union this book from a major scholar of postcolonial thought is a timely and transformative intervention

Conspiracy & Populism Eirikur Bergmann, 2018-08-20 Europeans are being replaced by foreign invaders aided by cultural Marxists who are plotting an Islamist subversion of the continent The Bilderberg group and or the Illuminati are instating a totalitarian New World Order Angela Merkel is the secret daughter of Adolf Hitler Barack Obama was illegitimate and George W Bush was in on the 9 11 attacks Also the Holocaust is a hoax members of Pussy Riot are agents of the West and the European Union is resurrecting the Roman Empire this time as a communist super state These are some of the tales that are told by populist political actors across Europe were raised during the Brexit debate in the UK and have been promoted by presidents of both the US and Russia Rapid rise of populist political parties around Europe and across the Atlantic in the early new millennium coincided with the simultaneous increased spread of conspiracy theories This book entangles the two tropes and maps how right wing populists apply conspiracy theories to advance their politics and support for their parties

Neo-Nationalism Eirikur Bergmann, 2020-05-23 This book maps three waves of nativist populism in the post war era emerging into contemporary Neo Nationalism The first wave rose in the wake of the Oil Crisis in 1972 The second was ignited by the Collapse of Communism in 1989 spiking with the 9 11 terrorist attacks The third began to emerge after the Financial Crisis of 2008 soaring with the Refugee Crisis of 2015 Whether the Coronavirus Crisis of 2020 will lead to the rise of a fourth wave remains to be seen The book traces a move away from liberal democracy and towards renewed authoritative tendencies on both sides of the Atlantic It follows the mainstreaming of formerly discredited and marginalized politics gradually becoming a new normal By identifying common qualities of Neo Nationalism the book frames a threefold

claim of nativist populists in protecting the people discursively creating an external threat pointing to domestic traitors and positioning themselves as the true defenders of the nation

The Routledge Companion to Media Disinformation and Populism Howard Tumber, Silvio Waisbord, 2021-03-23 This companion brings together a diverse set of concepts used to analyse dimensions of media disinformation and populism globally The Routledge Companion to Media Disinformation and Populism explores how recent transformations in the architecture of public communication and particular attributes of the digital media ecology are conducive to the kind of polarised anti rational post fact post truth communication championed by populism It is both interdisciplinary and multidisciplinary consisting of contributions from both leading and emerging scholars analysing aspects of misinformation disinformation and populism across countries political systems and media systems A global comparative approach to the study of misinformation and populism is important in identifying common elements and characteristics and these individual chapters cover a wide range of topics and themes including fake news mediatization propaganda alternative media immigration science and law making to name a few This companion is a key resource for academics researchers and policymakers as well as undergraduate and postgraduate students in the fields of political communication journalism law sociology cultural studies international politics and international relations

Nordic Nationalism and Right-Wing Populist Politics Eiríkur Bergmann, 2016-11-23 Based on a constructivist approach this book offers a comparative analysis into the causes of nationalist populist politics in each of the five Nordic independent nation states Behind the social liberal facade of the economically successful welfare orientated Nordic states right wing populism has found support in the region Such parties emerged first in Denmark and Norway in the 1970s before becoming prominent in Sweden and Finland after the turn of the millennium and in Iceland in the wake of the financial crisis of 2008 when populist parties surged throughout the Nordics The author traces these Nationalist trails of thoughts back to the National Socialistic movements of the 1920s and 1930s the respective Nordic version Nazi parties and before to the birth of the Nordic nation states in the nineteenth century following the failure of integration Since then as the book argues separate nationalisms have grown strong in each of the countries This study will appeal to students and scholars as well as wider audiences interested in European Politics Nordic Politics Nationalism and Populism

The Ideology of Political Reactionaries Richard Shorten, 2021-12-30 The Ideology of Political Reactionaries offers a new perspective on the beliefs reactionaries share presenting a theory of reactionary ideology in the process Rather than taking self contradictions in the reactionary imagination as a reason for diminishment complexity is taken as a challenge The book argues that the features that unite reactionaries lie in rhetoric Reactionaries make three persuasive appeals to decadence conspiracy and indignation They also display some recurrent styles The book's rhetorical approach entails a critique of the alternative approaches to reactionary politics dubbed as dispositional sociological and conceptual At the heart of the book is the textual analysis of the

writings of a range of figures who are chosen in deliberate diversity and who have interacted with political audiences in different eras and settings Edmund Burke Joseph de Maistre Sarah Palin Donald Trump Adolf Hitler Eric Zemmour Joe McCarthy Anders Breivik and Nigel Farage Analysis of their writings helps the book to reckon with some particular puzzles of ideologies and rhetoric These puzzles include the proximity of reactionaries to conservatism the ambiguity of their nostalgia the myth of their essential charisma and the apparent fetishisation of facts *The Ideology of Political Reactionaries* ought to interest anyone concerned about current ideological trends and in particular students and scholars of politics and history
