

Managing Local Government Services

TD Snyder

Managing Local Government Services:

Managing Local Government Services Carl W. Stenberg, Susan Lipman Austin, 2007 *Managing Local Government Services* 3rd ed is a comprehensive text on the subject of local government services relevant to local governments of all sizes This edition is refocused and updated to include the demographic economic technology and cultural trends that affect the management of service delivery New chapters discuss the shift from government to governance alternative methods of service delivery community development and the five management practices that are fast becoming the standard for professional local government management Each chapter lays out the manager s responsibilities in each service area and provides effective policies practices and procedures Short case examples give you a practical look at the goals challenges and solutions in the manager s world

Managing Local Government Services Carl W. Stenberg, Susan Lipman Austin, 2007
Managing Local Government Kimberly L. Nelson, Carl W. Stenberg, 2017-08-04 *Managing Local Government An Essential Guide for Municipal and County Managers* offers a practical introduction to the changing structure forms and functions of local governments Taking a metropolitan management perspective authors Kimberly Nelson and Carl W Stenberg explain U S local government within historical context and provide strategies for effective local government management and problem solving Real life scenarios and contemporary issues illustrate the organization and networks of local governments the roles responsibilities and relationships of city and county managers and the dynamics of the intergovernmental system Case studies and discussion questions in each chapter encourage critical analysis of the challenges of collaborative governance Unlike other books on the market this text s combined approach of theory and practice encourages students to enter municipal and county management careers and equips them with tools to be successful from day one

Managing Local Government Services, 2021 *Managing Local Government Services* is written for local government practitioners who lead and manage municipalities and counties and who are responsible for the administration of services to residents as well as for students considering a career in local government management The ideas in this text are especially helpful to entry level managers and those in smaller communities as it enables them to grasp the scope and complexity of local services and to appreciate the challenges and opportunities of governance publisher s website

Managing Local Government Kimberly L. Nelson, Carl W. Stenberg, 2025-06-24 A comprehensive guide to local management with a unique regional approach that provides practical applications for future local leaders

[Managing Local Government for Improved Performance](#) Brian W. Rapp, 2019-03-04 After working for nearly three years to improve the performance of the government of Flint Michigan and discovering that there was no comprehensive work on the subject of local government management to refer to Brian Rapp and Frank M Patitucci felt a personal as well as a professional need to write a book that would help them understand their successes and failures and that would help others do a better job in similar situations The result this book is unique both in its approach and in its presentation The authors establishing a

conceptual framework within which to understand their subject use Flint as a case city to examine the practical impact of factors affecting city government and they indicate the major standards and criteria that should be applied in evaluating that impact Although they recognize that within each city there are unique conditions that make a blanket prescription impossible the authors are nevertheless convinced that many individuals both in and out of government can do something to improve the performance of their city government and they have set out to help these individuals understand in the most concrete terms possible how they might go about it

Managing Local Government Services Derrik Hender, 1993 A guide to the problems that face local authorities their members and officers in coping with the challenges of developing an enabling authority This book looks forward to the probable effect of the extension of competition to central services

Managing Local Governments Emanuele Padovani, David W. Young, 2013-06-17 Local Government is an area where management skills are tested to the extreme With political considerations evident both locally and nationally managing resources can be complex and subject to change This book introduces new concepts and new ways of doing business that can greatly enhance the value of the services a local government provides to its citizens without putting a greater financial burden on taxpayers Padovani and Young present out of the box thinking based on solid research and experience to discuss topics such as Incorporating outcome indicators into strategic planning and budgeting Building a LG's budget with cost drivers Expanding the concept of enterprise funds Assessing and better managing the risk associated with outsourcing Using the concept of shadow pricing to compare public with private sector costs for services This book is a must read for students of public administration and management senior and middle managers in local governments around the world and citizens who are concerned with more effective management of their local government's programs and services A list of suggested extra case studies for each chapter and a description of the process to follow for ordering them may be obtained by sending an email to CrimsonCenter@cs.com You should request the document Case Study Suggestions for Managing Local Governments

Managing Human Resources in Local Government Urban Institute, National Commission on Productivity, 1973 Pamphlet on personnel management problems in local government in the USA with particular reference to Motivation of public servants and civil servants covers wage incentive programmes job enrichment schemes fringe benefits flexible hours of work etc References

Managing People in the Public Services David Farnham, Sylvia Horton, 1996-05-01 Over the last two decades public services have been directly affected by the radical political and economic changes which have characterized Britain As businesses public service employers are now becoming more responsive to their clients and customers and have moved to a more decentralized and proactive style based on private sector practices This book describes past practices and current developments in public sector organizations looking at in depth case studies covering NHS trusts the Civil Service local government police and education It examines implications for the future and will provide an invaluable guide for both students of personnel and business studies and managers in the public sector

The Enthralling World of E-book Books: A Thorough Guide Revealing the Advantages of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent portability and ease of availability, have freed readers from the limitations of hardcopy books. Gone are the days of lugging bulky novels or carefully searching for particular titles in bookstores. Kindle devices, stylish and portable, seamlessly store an extensive library of books, allowing readers to immerse in their preferred reads anytime, everywhere. Whether commuting on a busy train, lounging on a sunny beach, or simply cozying up in bed, E-book books provide an unparalleled level of convenience.
