James and the "Q" Sayings of Jesus Patrick Hartin,2015-01-29 The Epistle of James lies on a wisdom trajectory that extends from the Old Testament through to the New It is among the earliest of the New Testament writings providing valuable insight into the process of transmission of the sayings of Jesus By examining textual similarities between James and the early Jesus traditions such as Q QMt and QLk Hartin argues that the Epistle of James is an independent witness to the existence of the Q source as well as to the way in which this source developed within the Matthaean community which produced QMt

1001 Life Changing Quotes 4 Teens Laura Lyseight,2010-03 Jesus says profoundly The words that I speak they are Spirit and they are life Words live and have incredible power so watch what words you speak Colours fade temples crumble empires fall but wise words endure Edwards Thorndike The power found in words cannot be understated They can be explosive dynamite destroying or they can be cautious uplifting words Kind words can be short and easy to speak but their echoes are truly endless Mother Teresa What lasting impressions are you making with the words you are speaking The spoken word has life

or death in it Words can motivate you to do more or do the exact opposite They can equally build you up or pull you down Throughout history all successful people have been known to tap into the world of wise words They have continually stayed motivated and challenged by insightful words from others and this book has the compilation of wise life transforming quotes to help you as a teen chart your successful path in life As you read through this book you will experience renewed energy you will feel an explosive excitement and your passion to do more will mystify you That is exactly the effect inspirational words This collection of quotes has been carefully sourced for teens worldwide Every teen especially those who desire to be successful must have a copy An investment in knowledge pays the best interest Benjamin Franklin Teens are not monsters They are just people trying to learn how to make it among the adults in the world who are probably not so sure themselves Virginia Satir

Crisscrossing Communication Research Chin-Chuan Lee,2024-10-28 Drawing on studies of international communication and late Qing and Republican newspapers this book examines the intellectual and practical development of communication from a global and historical perspective The book is organized in two parts The first part explores the domestication and fragmentation of communication studies examining how domestic communication paradigms have been transformed into refined mediocrity and how international communication is now included in discussions of modern theory Focusing on the newspapers of China s Republican era the second part explores the history of journalism from a variety of perspectives and addresses several key research issues By exploring ways to connect theories in the humanities and social sciences bridging the gap between Eastern and Western cultures and interweaving case studies and macro level theorizing the author shows that communication analysis is necessarily dialectical specific complementary and conditional The book sheds important light on how acting locally while thinking globally can help us reconstruct the epistemological and methodological foundations of international communication The title will appeal to scholars and students in communication studies journalism and the social sciences especially those interested in international communication
