Questions and answers Carl Hinton, 2013-01-26 The author of this book has been travelling to Tanzania as a missionary since 1991. During that period he has been asked many Bible based and faith centred questions, some of which are repeatedly asked. It is thought that the answers to these repeated questions may be usefully contained in a pocket sized booklet for others to keep with them at all times so that they might give a ready answer to those that ask. For this reason this booklet has been written as a compilation of answers to those often asked questions. This is not another attempt to answer all the questions of religious leaders for that see Wrested Scriptures by Ron Abel. This small booklet is aimed at answering the questions of the common man. The materials found here are intended for the Ecclesias of Tanzania, however the principles are universal and therefore are transferrable to any culture. Because I Have Been There Bob Jacobs, 2019-08-06 I have written this book with the unique perspective of standing in God's White Light during an afterlife experience. With an open mind and a glimpse of what lies ahead for us, I now have a non traditional explanation for parts of the Bible. Verses from the Bible are used as a backdrop to parts of this book. Inside details are given on why it doesn't matter how you get to God. From my real life experiences I now understand that Religion isn't about who is wrong and who is right. It is about finding our peace. Throughout the New Testament Jesus teaches us how to find our peace. This peace is the gateway to God and His Light. This book is also designed to be a handbook or guide. This guide will help people understand why the Church and Religion will still be very important after disclosure of intelligent alien life happens. After a disclosure event of this kind, this book will explain and help people understand that it doesn't matter. The reason being is that God and Jesus are still both very real. **The Broken Bible** John E. Chitty, 2002-04-12 From the dawn of man we have all wondered: Who's out there? From the inception of life, human's have known nothing but Gods and angels that hold the very secrets of life and death. Since ancient times these awe inspiring luminous beings have captivated every population on the surface of this planet. Now for the first time join author John Chitty as he journeys through an extraordinary odyssey of entangled science and religion where extraterrestrials and angels become one and the same. Discover the remarkable connection between the centuries old UFO phenomenon and angelic beings. After thirteen years of intensive research, this book is one of the most extensive literary works exposing startling new information about UFOs and Biblical scripture ever compiled. For the first time in the annals of mankind the miracles of scripture and future of the human race is revealed. This controversial yet provocative revelation will leave you utterly frightened at the alien implications that may be residing right under our very noses. If you are intrigued by innovative

concepts prepare yourself for an exciting yet shocking chronicle exposing the extraterrestrial pieces of The Broken Bible

Wonders in the Sky Jacques Vallee, Chris Aubeck, 2010-10-28 One of the most ambitious works of paranormal investigation of our time here is an unprecedented compendium of pre twentieth century UFO accounts written with rigor and color by two of today's leading investigators of unexplained phenomena In the past century individuals newspapers and military agencies have recorded thousands of UFO incidents giving rise to much speculation about flying saucers visitors from other planets and alien abductions Yet the extraterrestrial phenomenon did not begin in the present era Far from it The authors of *Wonders in the Sky* reveal a thread of vividly rendered and sometimes strikingly similar reports of mysterious aerial phenomena from antiquity through the modern age These accounts often share definite physical features such as the heat felt and described by witnesses that have not changed much over the centuries Indeed such similarities between ancient and modern sightings are the rule rather than the exception In *Wonders in the Sky* respected researchers Jacques Vallee and Chris Aubeck examine more than 500 selected reports of sightings from biblical age antiquity through the year 1879 the point at which the Industrial Revolution deeply changed the nature of human society and the skies began to open to airplanes dirigibles rockets and other opportunities for misinterpretation represented by military prototypes Using vivid and engaging case studies and more than seventy five illustrations they reveal that unidentified flying objects have had a major impact not only on popular culture but on our history on our religion and on the models of the world humanity has formed from deepest antiquity Sure to become a classic among UFO enthusiasts and other followers of unexplained phenomena *Wonders in the Sky* is the most ambitious broad reaching and intelligent analysis ever written on premodern aerial mysteries Whose Time Is It, Anyway? Chet Morelli, 2007-05-11 In the non fictional essay *Whose Time Is It Anyway* a Christian man gives you his introspective view of the past present and future and how time plays an immense role in how history is written Author Chet Morelli encourages you to think about and ask yourself many questions as he shares his research on our human ancestors and the resulting inquiries he has discovered in the process Such questions include what happens when we die and has the human race been on Earth for millions of years or just a few thousand He not only looks into the past but also the present as he explores whether our fast paced society may have caused our government leaders to make the wrong choices He also takes an in depth look into the mind of today's man Morelli touches on the future as he contemplates the possibility of World War III and what role the three largest religions may play in deciding the important historical events of the coming years *Whose Time Is it Anyway* will help you reflect on our human experience and how time relates to the questions where have we been where are we now and where are we going Only time will tell **Noah's Park Children's Church Leader's Guide, Red Edition**, 2007 The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at

home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session

A Mile in My Shoes Benny Makaveli, 2018-10-20 There is a lot of knowledge I need to share We as a species are being seriously messed with from every angle possible We are being lied to about who we are and where we come from and it hurts to see us as a species accepting things as they are We should wake up and stop getting used to being treated like this The evil ones in this world are seriously plotting against us It s only us who can change the course of history and our future Our world is going through a lot of difficult challenges It s up to us to make a difference and awaken humanity and inspire the masses so we can all make our world a better place The people of our world need to wake up to the truth It s all on us We have back up We all need to collaborate every race every religion everybody Believe me we are all in this together There are people and other beings in our world that live underground The truth is that there are evil networks that are manipulating our military and governments to fight and kill these higher dimensional beings These beings are the first intelligent life here on earth known as Terra These beings are better known as angels There are many different species in the angelic kingdom Heaven is not a faraway place It s a dimension that lives around us The governments and military need to wake up and realise who the bad guys are We are being manipulated to believe these beings are alien and that they shouldn t be here when the truth is that this is their home too and we are the newer less evolved species That s why it s their job to protect us The evil ones are trying to wipe them out These are the people who are threats to humanity We have to try to stop them

Transition, Infinity, and Ecstasy Suresh Hariramsait, 2016-01-15 Though modern astronomers and astro phycisists like Stephen Hawking have their doubts about interstellar travel there are countless references to inter dimesional travel in mostly ancient Indian texts The Kandha Puranam nearly 17 million years ago mentions that the Asura Titan King Sooran ruled over 1008 universes and had vimanas or flying crafts that could in an instant travel all over space cutting across dimensions at tremendous speed that could hover in mid air over water disappear and re appear all of a sudden and had a host of stealth weapons even nuclear winter is mentioned for it is said that the entire world was enveloped in darkness caused by Sooran during the war Lord Muruga possessed the Peacock Craft that could circumvent the 14 worlds and fly beyond in a micro second and his missile with the lengthy flame nedunchudar Vel was voice activated and re useable and was so powerful that it blew up into smitherns the Kraunja mountain which even our modern day nuclear weapons cannot do according to scientists The Ramayana 1 7 million years ago mentions that Emperor Ravana s Pushpaka vimana which he captured from Kubera the Lord of riches in heaven could host as many passengers as it takes there were stun weapons and stealth technology In the Mahabharata war 3500 b c nuclear weapons like the brahmastra were used and there is mention of numerous flying crafts of the Lords Angels of Asuras Titans and Rakshasas Demons who all travelled to and fro from the upper and lower worlds The Sri Linga Purana mentions that Lord Brahma s Swan Craft flew and transcended the seven upper worlds while Lord Vishnu s Boar Craft tunnelled though the seven lower worlds and went even beyond Baathala the

lowest plane which all reminds us of blackholes being portals and shortcuts to parallel universes which is being theoretically proved today More than 2500 years ago the Japanese Royal Family s ancestors met with the Sun God who landed on Mount Fuji and were presented with a sword and an orb which are still in the Imperial Palace in Japan The native Indian s forefathers living on sun Island on lake Titicaca in South America were visited by the Sun God The Dogon tribes of Mali have a tradition that their forefathers had sailed on a great ship that flew down from Sirius the star but what is interesting is that they don spacesuit like gear and celebrate their home coming once every fifty two years which is when sirius comes in direct alignment with our world

Aliens and Man Jerome A. Kroth,2010 When it comes to extraterrestrials UFOs crop circles and ancient astronaut literature most intelligent readers are repulsed by New Age hype turned off by Erik Van Daniken flustered by blatant pseudo science and deeply chagrined at how even the History Channel got dragged into the tabloid and sensational Yet many intelligent open minded readers harbor secret interests in the Great Pyramid and how it was built in mythic tales of sky gods coming and going from Ezekiel to the Rig Veda They are awed by the intricate fractals in crop circles and they more than take notice when a NASA astronaut says he was trailed in space by UFOs That questioning readership however swims in a vast sea of agnosticism curious but not convinced And there just aren t any books for them None they can trust None that reaches them None that transcends tabloid fantasies to authentically treat issues with enough dispassion and scholarly erudition not to insult their intelligence Here Dr Kroth gives the run down on a wide range of evidence and ponders how reliable any of it may be Readers are left with all the elements to form their own equation

Ezekiel's America Keith Fee,2006-03 Russia Plans to Invade America That America is mentioned by Old Testament prophets as a prominent player in end time events may come as a surprise to many including Bible scholars and clergy Ancient prophets have fully identified America by their own characteristics Passages in Ezekiel 38 39 identify America as the target of Russia s latter day invasion

Genesis and the Rahab Conspiracy A.M. Cornford,2012-02-24 The book that you are holding is not intended to be prophetic but will expose the nature of an approaching delusion that was prophesied about 2000 years ago The delusion itself will be of such power that it will affect all mankind and will quite likely be the catalyst that will unite the different faiths to a greater or lesser degree This book will answer some difficult questions and explain how a very timely biblical Truth has been subtly hidden over the years which will result in causing great confusion for many Christians of all denominations in perhaps the not too distant future If what I am presenting in these pages is correct then this is a book that needs to be read by every Christian If I am wrong then I expect to spend the rest of my life with egg on my face However the conviction that I have had that has caused me to write this in the first place is deep enough for me to take that chance

Uchronia Christos A. Djonis,2021-09-09 Accounts of past lost civilizations strange aerial phenomena unexplained encounters and cryptic codes unquestionably continue to tease our minds with their intrigue While many of these puzzles which often are passed down from one generation to another sound so incredible that they appear to be stories of pure

fiction from time to time and more often than we realize they turn out to be true UCHRONIA alternative history connects with several such controversial topics and provides facts and clues that could explain some of the most contentious mysteries of our time including Plato's Atlantis Is the Human Genome a real miracle or genetics What is the meaning behind the Nazca Lines Has a Middle Eastern culture managed to visit North America 10 000 years before Christopher Columbus Can the Old Testament of the Holy Bible be a copy of a much older original In 2017 New York City Big Book Awards voted the original edition of UCHRONIA as one of their Distinguished Favorites This UPDATED EXTENDED version is not just an extension or a more in depth analysis of the original work published in 2014 but an opportunity to illustrate how several more scientific events and recent archaeological discoveries now further support many of the earlier conclusions noted in the original edition

The Queen of Sheba Deborah M. Coulter-Harris, 2013-05-28 Part I of this book begins with a scriptural study of all Sheba references particularly the origins and genealogy of the name and its connections with Hebrew patriarchs such as Abraham and kings Saul and David it later explores the literature and legends surrounding king Solomon and his trade negotiations with Sheba The text analyzes theories and links between the Queen of Sheba and Pharaoh Hatshepsut and concludes that Sheba may well be the Pharaoh based upon linguistic associations and the related stories from a multitude of regions and countries Part II travels into ancient Arabian Yemeni Ethiopian and Eritrean tales of the Queen of Sheba and examines the mention of Sheba in an array of Jewish Christian and Muslim texts It scrutinizes associations between ancient gods and pharaohs particularly the similarity of their iconographic representations the meaning of their symbols and signs that connect with Sheba legends and Hatshepsut's history the real extent and location of her vast empire *It's in the Bible!*

Arthur Padilla, 2019-09-17 The Bible is easily the most influential and most quoted book in western society It is revered so much that it is used to swear in to office the President of the United States Supreme Court Justices and other elected government officials When the President and other U S government officials swear that they will carry out their duties with the help of the Biblical God few if any are aware that according to scripture the Biblical God is actually a man He is specifically a man of war as stated in the following scripture The Lord is a man of war the Lord is his name Exodus 15:3 Perhaps this is a reason why the United States has been at war 93 percent of the time since its existence The Bible has had significant historical social and political influences on humanity More importantly the Bible continues to significantly influence humanity today A specific example is today's conflict in the Middle East between Israel and its neighbors Israel bases its claim to the land in dispute with the argument that the God of the Bible gave them that land approximately 3 425 years ago as described in the Old Testament of the Judeo Christian bible This book takes this same literal approach in interpreting the narrative scripture concerning the God and events described in the same bible A few of the many items discussed in this book concerning biblical scripture are The U S is the modern version of Old Testament Israel That the Biblical God is actually a man or manlike entity Inferences to very advanced technology Inferences that Jesus of the Gospel

was gay More than one Jesus Christ The second coming has already happened Reincarnation concerning Jesus and the prophets Periodic mass extinction Bible Secrets Revealed Shirley Dawn Shooter,2013-07-30 Bible Secrets Revealed is intended to arouse the curiosity and interest of the reader to encourage further investigation into the subjects of life through the scriptures and to raise awareness of mankind s role in today s world It intends to show the way to a better perspective on world conditions in line with the renewed way of thinking under the terms of the Creator *Mentoring Across Generations* Andrea S. Taylor,Jeanette Bressler,2012-12-06 Currently blame for the difficulties facing youth is too often laid on one particular segment of the community whether parents school personnel or the children themselves However the problems of today s young people are problems for all generations In response the past decade has seen unparalleled proliferation of planned mentoring initiatives Across Ages the multi faceted and multigenerational intervention described in this volume uses older adult volunteers as mentors for young people By acting as advocates challengers nurturers role models and friends older mentors help children develop the awareness self confidence and skills they need to overcome overwhelming obstacles Across Ages is cost effective and feasible even where resources are fairly limited Although designed as a school based model this program can easily be adopted to other settings Each of the four major program components mentoring community service life skills instruction and family support is described in step by step detail **Tales in Context** Rella Kushelevsky,2017-11-13 A folkloric research project on Sefer ha ma asim In the thirteenth century an anonymous scribe compiled sixty nine tales that became Sefer ha ma asim the earliest compilation of Hebrew tales known to us in Western Europe The author writes that the stories encompass descriptions of herbs that cure leprosy a fairy princess with golden tresses using magic charms to heal her lover s wounds and restore him to life a fire breathing dragon a two headed creature and a giant s daughter for whom the rind of a watermelon containing twelve spies is no more than a speck of dust In Tales in Context Sefer ha ma asim in Medieval Northern France Rella Kushelevsky enlightens the stories meanings and reflects the circumstances and environment for Jewish lives in medieval France Although a selection of tales was previously published this is the first publication of a Hebrew English annotated edition in its entirety revealing fresh insight The first part of Kushelevsky s work Cultural Literary and Comparative Perspectives presents the thesis that Sefer ha ma asim is a product of its time and place and should therefore be studied within its literary and cultural surroundings Jewish and vernacular in northern France An investigation of the scribe s techniques in reworking his Jewish and non Jewish sources into a medieval discourse supports this claim The second part of the manuscript consists of the tales themselves in Hebrew and English translation including brief comparative comments or citations The third part An Analytical and Comparative Overview offers an analysis of each tale as an individual unit contextualized within its medieval framework and against the background of its parallels Elisheva Baumgarten s epilogue adds social and historical background to Sefer ha ma asim and discusses new ways in which it and other story compilations may be used by historians for an inquiry into the everyday life of medieval Jews The

tales in Sefer ha ma asim will be of special value to scholars of folklore and medieval European history and literature as well as those looking to enrich their studies and shelves Worship, Warfare and Intercession ,
