INTRODUCTION

The aim of this paper is to provide instruction on the best way to write a Formal Report.

It has been taken into account that the writer is a complete novice. Written assistance has been provided on that basis.

The points below have been taken from a model whose aim is to provide a working way of Report writing in the field.

FINDINGS

This unit should be studied after 'Informal Report Writing'. However, 'Formal Report Writing' ensures that more angles are sought, and so as a consequence the Formal Report is more detailed and longer.

Be aware of the purpose of the report. A reports objectives are:

- To provide information
- To analyse facts
- To put forward ideas
- To recommend a course of action

Jewish Identity in

Multicultural Australia Jennifer Creese, 2023-08-14. This book offers a timely insight into ideas of belonging in multicultural society from a Jewish perspective, one which is largely missing from the discourse on multiculturalism. There is a current climate in Australia as there is in the United States, Europe, and elsewhere of rising tensions around migration, religious freedom, and far-right extremism. These tensions have been fanned by the Israeli-Palestine conflict coming under increased international scrutiny in recent months. Understanding how Jewish communities attempt to build and guide an understanding of what Jewishness means in contemporary multicultural societies is crucial for supporting the right to safety in diversity, not only for Jews but for multiple minority groups. In delivering such understanding, this book has insights not only in an Australian but a broader international context. This book explores how various facets of Jewish life are experienced and expressed in Australia, drawing on rich ethnographic and archival research conducted within the mid-sized Jewish community in South East Queensland, Australia, which has never before been examined. *Jewish Identity in Multicultural Australia* explores how Jewish identity is manifested and experienced across a wide range of facets: religion and religiosity, ethnicity and ethnonational identity, history and memory, antisemitism and racism, Zionism and diasporic identity, and family and kinship.

Across these key themes the book builds on a core argument that contemporary Jewish communities work in certain set ways and promote certain set norms within a framework of state multiculturalism to forge a safe supported place for Jewish life practice and identity of all shapes and sizes
