D'Alessandro, Ben Lowe, Hume Winzar, William Zikmund, Barry J. Babin, 2017-01-01 Marketing Research 4th Asia Pacific edition continues to equip students with the knowledge and skills required to successfully undertake marketing research. Combining a solid theoretical foundation with a practical step by step approach the marketing research process is explored through a learning model that is constantly reinforced throughout the text. Using a raft of contemporary local and international examples, data sets and case studies to explain traditional marketing research methods, Marketing Research also examines new theories and techniques. To reflect emerging industry practices, each stage of research reporting is detailed as well as a range of presentation methodologies. This edition of Marketing Research continues to integrate Qualtrics, a robust and easy to use online survey tool that provides students with a platform for designing, distributing and evaluating survey results to strengthen its learning by doing approach. For analysing data, the text covers both SPSS and EXCEL outputs. This text is indispensable for students studying marketing research in any business or marketing course.
