

The Wonderful Wizard of Oz

Dorothy Gale is a little girl living in Kansas in America with her Aunt Emily, Uncle Henry and her little dog Toto. They live on a small farm and life is simple but happy.

Dorothy became so dizzy that she fainted, the last thing she heard was Toto barking frantically, nudging at her with his cold nose— and then everything turned black.

When Dorothy woke up, the house had stopped moving. She was surprised to see that not only was she unharmed but also that the house seemed relatively unscathed. Toto started to bark at the window. Dorothy walked towards the window and was shocked to see the change. Instead of the wide open green pastures and rolling hills over the horizon, she saw a thick, dense forest right in her backyard.

"Toto, I have a feeling we are not in Kansas anymore," she commented.

Then from the corner of her eyes, she saw tiny flickering movements amongst the trees. Curious, she went outside the house to investigate. The trees rustled even more and to her amazement a little man stepped out and following him were other little folks.

The tiny man that first came out
