large selection of Complete Pet Owner's Manuals gives basic pet care information that all new pet lovers or soon to be animal owners need. Most titles in the series also present facts that are new even to experienced pet owners and breeders which makes these books attractive to everybody involved with pets. The text of each manual is supplemented with many handsome full color photos, instructive line art and easy to read tables and charts. Each manual has been individually written by a breeder, trainer, veterinarian or experienced animal specialist. Not one of Barron's Pet Owner's Manuals is a clone derived from some common catch all book. The number of pages per book varies since the care of some animals involves many more details than the care of others. Reliable advice and information covers all aspects of feline behavior. **New Cat Handbook**
