The Tapestry Handbook Carol K. Russell, 1990 Hand-loom Weaving Mattie Phipps Todd, 1914 **How to Weave a Navajo Rug and Other Lessons from Spider Woman** Barbara Teller Ornelas, Lynda Teller Pete, 2020-10-01 Navajo blankets, rugs, and tapestries are the best known, most admired, and most collected textiles in North America. There are scores of books about Navajo weaving, but no other book like this one. For the first time, master Navajo weavers themselves share the deep inside story of how these textiles are created and how their creation resonates in Navajo culture. Want to weave a high quality Navajo style rug? This book has detailed how-to instructions meticulously illustrated by a Navajo artist from warping the loom to important finishing touches. Want to understand the deeper meaning? You'll learn why the fixed parts of the loom are male and the working parts are female. You'll learn how weaving relates to the earth, the sky, and the sacred directions. You'll learn how the Navajo people were given their weaving tradition and it wasn't borrowed from the Pueblos and how important a weaver's attitude and spirit are to creating successful rugs. You'll learn what it means to live in harmony. The Beauty Way Family stories told by Lynda Teller Pete and Barbara Teller Ornelas, fifth generation Navajo weavers who have been weaving since they were young girls, lend charm and special insights. Characteristic Native American humor is not in short supply. Their contribution to cultural understanding and the preservation of their craft is priceless.
