My Life So Far By Jane Fonda Random House April 24 2005:

Saving the Modern Soul Eva Illouz, 2008-03-04 The language of psychology is all pervasive in American culture from The Sopranos to Oprah from the abundance of self help books to the private consulting room and from the support group to the magazine advice column *Saving the Modern Soul* examines the profound impact of therapeutic discourse on our lives and on our contemporary notions of identity Eva Illouz plumbs today's particular cultural moment to understand how and why psychology has secured its place at the core of modern identity She examines a wide range of sources to show how self help culture has transformed contemporary emotional life and how therapy complicates individuals lives even as it claims to dissect their emotional experiences and heal trauma **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors,

Focus On: 100 Most Popular American Agnostics Wikipedia contributors, *America's Victories* Larry Schweikart, 2015-09-18 In *America's Victories* Professor Larry Schweikart restores the truth about our amazing military heritage Just as he did in his acclaimed previous book *A Patriot's History of the United States* Professor Schweikart cuts through the distortions passed along by academia and the media *Journey to Freedom* Scott Reall, 2008-05-25 Do you long for change Are you tired of going through life feeling defeated and stuck Do you want to discover your potential and realize your purpose in life If so then *Journey to Freedom* is for you This guide helps you to change the things in your life that keep you from fulfilling your purpose It offers tools along with an inspiring practical and hope filled vision for permanently changing your spirit mind and body Written by Scott Reall founder of RESTORE a life changing ministry of the YMCA

Expect Great Things! Vanda Krefft, 2025-03-04 A fun and fascinating social history of the famed Katharine Gibbs School which from the 1910s to the 1960s trained women for executive secretary positions but surreptitiously was instilling the self confidence and strategic know how necessary for them to claim equality power and authority in the wider world It's a safe bet that most of the secretaries on the TV series *Mad Men* would have attended the Katharine Gibbs School in New York City The iconic institution was in its heyday in the 1950 and 60s synonymous with supplying secretaries always properly attired in heels ladylike hats and white gloves to male executives In *Expect Great Things* Vanda Krefft turns the notion of a Gibbs girl on its head showing us that while the school was getting women who could type 90 words per minute into the C suite its more subversive mission was to get them out of the secretarial pool to assume positions of power on the other side of the desk And Gibbs graduates did just that tackling the sexism of the era and paving the way for 21st century women to succeed in any profession Katharine Gibbs was one her own success stories She started her school when as a 46 year old widow she was left near broke with two young sons The school taught typing and stenography but Gibbs also hired accomplished professors from elite colleges to teach academic subjects it was a well rounded education that produced early feminists ready to tackle the sexism of their era *Expect great things* was her motto and her philosophy Within a decade she'd opened schools in three elegant locations With nostalgic period photographs throughout *Expect Great Things* takes us back to Katie Gibbs's

life and tells the stories of the women she influenced We meet Gibbs graduates who worked for the Walt Disney Marilyn Monroe and Robert F Kennedy Others forged pathfinding roles as an Emmy winning television star a women s rights advisor to four U S presidents a writer of Wonder Woman comic books the head of the Women s Marines a best selling young adult author and a U S Ambassador For readers of The Barbizon and Come Fly the World Expect Great Things reveals the seismic impact the Katharine Gibbs school had on the American workplace and on women s opportunities today **The Good**

Doctors John Dittmer,2017-01-31 In the summer of 1964 medical professionals mostly white and northern organized the Medical Committee for Human Rights MCHR to provide care and support for civil rights activists organizing black voters in Mississippi They left their lives and lucrative private practices to march beside and tend the wounds of demonstrators from Freedom Summer the March on Selma and the Chicago Democratic Convention of 1968 Galvanized and sometimes radicalized by their firsthand view of disenfranchised communities the MCHR soon expanded its mission to encompass a range of causes from poverty to the war in Vietnam They later took on the whole of the United States healthcare system MCHR doctors soon realized fighting segregation would mean not just caring for white volunteers but also exposing and correcting shocking inequalities in segregated health care They pioneered community health plans and brought medical care to underserved or unserved areas Though education was the most famous battleground for integration the appalling injustice of segregated health care levelled equally devastating consequences Award winning historian John Dittmer author of the classic civil rights history Local People The Struggle for Civil Rights in Mississippi has written an insightful and moving account of a group of idealists who put their careers in the service of the motto Health Care Is a Human Right **Best**

Actress Stephen Tapert,2020 Showcasing a dazzling collection of 200 photographs many of which have never before been seen this lavishly illustrated book offers a captivating historical social and political examination of the first 75 women from Janet Gaynor to Emma Stone to have won the coveted and legendary Academy Award for Best Actress t Actress **Fit**

Nation Natalia Mehlman Petrzela,2024-04-05 How is it that Americans are more obsessed with exercise than ever and yet also unhealthier Fit Nation explains how we got here and imagines how we might create a more inclusive stronger future If a shared American creed still exists it s a belief that exercise is integral to a life well lived A century ago working out was the activity of a strange subculture but today it s almost impossible to avoid exhortations to exercise Walk 5K to cure cancer Awaken your inner sex kitten at pole dancing class Sweat like or even with a celebrity in spin class Exercise is everywhere Yet the United States is hardly a fit nation Only 20 percent of Americans work out consistently over half of gym members don t even use the facilities they pay for and fewer than 30 percent of high school students get an hour of exercise a day So how did fitness become both inescapable and inaccessible Spanning more than a century of American history Fit Nation answers these questions and more through original interviews archival research and a rich cultural narrative As a leading political and intellectual historian and a certified fitness instructor Natalia Mehlman Petrzela is uniquely qualified to confront the

complex and far reaching implications of how our contemporary exercise culture took shape She explores the work of working out not just as consumers have experienced it but as it was created by performers physical educators trainers instructors and many others For Petrzela fitness is a social justice issue She argues that the fight for a more equitable exercise culture will be won only by revolutionizing fitness culture at its core making it truly inclusive for all bodies in a way it has never been Examining venues from the stage of the World s Fair and Muscle Beach to fat farms feminist health clinics radical and evangelical college campuses yoga retreats gleaming health clubs school gymnasiums and many more Fit Nation is a revealing history that shows fitness to be not just a matter of physical health but of what it means to be an American

Nixonland Rick Perlstein,2008-05-13 Perlstein aims here at nothing less than weaving a tapestry of social upheaval His success is dazzling Los Angeles Times Both brilliant and fun a consuming journey back into the making of modern politics Jon Meacham Nixonland is a grand historical epic Rick Perlstein has turned a story we think we know American politics between the opposing presidential landslides of 1964 and 1972 into an often surprising and always fascinating new narrative Jeffrey Toobin Rick Perlstein s bestselling account of how the Nixon era laid the groundwork for the political divide that marks our country today Told with vivid urgency and sharp political insight Nixonland recaptures America s turbulent 1960s and early 1970s and reveals how Richard Nixon rose from the political grave to seize and hold the presidency of the United States Perlstein s epic account begins in the blood and fire of the 1965 Watts riots nine months after Lyndon Johnson s historic landslide victory over Barry Goldwater appeared to herald a permanent liberal consensus in the United States Yet the next year scores of liberals were tossed out of Congress America was more divided than ever and a disgraced politician was on his way to a shocking comeback Richard Nixon Between 1965 and 1972 America experienced no less than a second civil war Out of its ashes the political world we know now was born Filled with prodigious research and driven by a powerful narrative Rick Perlstein s magisterial account of how it all happened confirms his place as one of our country s most celebrated historians

Cold Intimacies Eva Illouz,2013-04-23 It is commonly assumed that capitalism has created an a emotional world dominated by bureaucratic rationality that economic behavior conflicts with intimate authentic relationships that the public and private spheres are irremediably opposed to each other and that true love is opposed to calculation and self interest Eva Illouz rejects these conventional ideas and argues that the culture of capitalism has fostered an intensely emotional culture in the workplace in the family and in our own relationship to ourselves She argues that economic relations have become deeply emotional while close intimate relationships have become increasingly defined by economic and political models of bargaining exchange and equity This dual process by which emotional and economic relationships come to define and shape each other is called emotional capitalism Illouz finds evidence of this process of emotional capitalism in various social sites self help literature women s magazines talk shows support groups and the Internet dating sites How did this happen What are the social consequences of the current preoccupation with emotions How did the public sphere become

saturated with the exposure of private life Why does suffering occupy a central place in contemporary identity How has emotional capitalism transformed our romantic choices and experiences Building on and revising the intellectual legacy of critical theory this book addresses these questions and offers a new interpretation of the reasons why the public and the private the economic and the emotional spheres have become inextricably intertwined **Being Hal Ashby** Nick

Dawson,2009-04-17 The story of the director behind Harold and Maude Being There and other quirky classics A superb biography of this troubled talented man Tucson Citizen Hal Ashby set the standard for subsequent independent filmmakers by crafting unique thoughtful and challenging films that continue to influence new generations of directors Initially finding success as an editor Ashby won an Academy Award for editing 1967 s In the Heat of the Night and translated his skills into a career as one of the quintessential directors of 1970s Perhaps best remembered for the enduring cult classic Harold and Maude Ashby quickly became known for melding quirky comedy and intense drama with performances from A list actors such as Jack Nicholson in The Last Detail Warren Beatty and Goldie Hawn in Shampoo Jon Voight and Jane Fonda in Coming Home and Peter Sellers and Shirley MacLaine in Being There But Ashby s personal life was difficult After enduring his parents divorce his father s suicide and his own failed marriage all before the age of nineteen he became notorious for his drug abuse which contributed to the decline of his career near the end of his life Ashby always operated outside Hollywood s conventions and though his output was tragically limited the quality of his films continues to inspire modern directors as varied and talented as Judd Apatow and Wes Anderson both of whom acknowledge Ashby as a primary influence In Being Hal Ashby Life of a Hollywood Rebel the first full length biography of the maverick filmmaker Nick Dawson masterfully tells the turbulent story of Ashby s life and career **The Films of Hal Ashby** Christopher Beach,2009-09-22 Analyzes the films and

filmmaking career of director Hal Ashby placing his work in the cultural context of filmmaking in the 1970s Hal Ashby directed eleven feature films over the course of his career and was an important figure in the Hollywood Renaissance of the late 1960s and 1970s Though he was a member of the same generation of filmmakers as Martin Scorsese Francis Ford Coppola and Robert Altman Ashby has received comparatively little critical or scholarly validation for his work Author Christopher Beach argues that despite his lower profile Ashby was an exceptionally versatile and unusually creative director Beach focuses primarily on Ashby s first seven films The Landlord Harold and Maude The Last Detail Shampoo Bound for Glory Coming Home and Being There to analyze Ashby s contributions to filmmaking culture in the 1970s The first two chapters of this volume provide an overview of Ashby s filmmaking career as Beach makes the case for Ashby s status as an auteur and provides a biographical survey of Ashby s most productive and successful decade the 1970s In the following chapters Beach analyzes groups of films to uncover important thematic concerns in Ashby s work including the treatment of a young male protagonist in The Landlord and Harold and Maude the representation of the U S military in The Last Detail and Coming Home and the role of television and mass media in Shampoo and Being There Beach also examines the crucial

role of the musical score in Ashby's films as well as the rapid decline of the director's career after *Being There*. The Films of Hal Ashby is based on Beach's extensive use of unpublished archival materials as well as a number of interviews with actors, directors, producers, cinematographers and others involved in the making of Ashby's films. This volume will interest film and television scholars as well as readers interested in filmmakers of the 1970s. **No Stopping Us Now** Gail

Collins, 2019-10-15 The beloved New York Times columnist inspires women to embrace aging and look at it with a new sense of hope in this lively, fascinating eye-opening look at women and aging in America. Parade Magazine: You're not getting older, you're getting better, or so promised the famous 1970s ad for women's hair dye. Americans have always had a complicated relationship with aging: embrace it, deny it, defer it, and women have been on the front lines of the battle, willingly or not. In her lively social history of American women and aging, acclaimed New York Times columnist Gail Collins illustrates the ways in which age is an arbitrary concept that has swung back and forth over the centuries. From Plymouth Rock, when a woman was considered marriageable if civil and under fifty years of age, to a few generations later when they were quietly retired to elderdom once they had passed the optimum age for reproduction, to recent decades when freedom from striving in the workplace and caretaking at home is often celebrated, to the first female nominee for president, American attitudes towards age have been a moving target. Gail Collins gives women reason to expect the best of their golden years. The Third

Chapter Sara Lawrence-Lightfoot, 2009-01-06 In the twenty-first century, a developmental phase of life is emerging as significant and distinct, capturing our interest, engaging our curiosity, and expanding our understanding of human potential and development. Demographers talk about this new chapter in life as characterized by people between fifty and seventy-five who are considered neither young nor old. In our third chapters, we are beginning to redefine our views about the casualties and opportunities of aging; we are challenging cultural definitions of strength, maturity, power, and sexiness. This is a chapter in life when the traditional norms, rules, and rituals of our careers seem less encompassing and restrictive when many women and men seem to be embracing new challenges and searching for greater meaning in life. In The Third Chapter, the renowned sociologist Dr. Sara Lawrence Lightfoot offers a strong counterpoint to the murky ambivalence that shrouds our clear view of people in their third chapters. She challenges the still-prevailing and anachronistic images of aging by documenting and revealing the ways in which the years between fifty and seventy-five may in fact be the most transformative and generative time in our lives, tracing the ways in which wisdom, experience, and new learning inspire individual growth and cultural transformation. The women and men whose voices fill the pages of The Third Chapter tell passionate and poignant stories of risk and vulnerability, failure and resilience, challenge and mastery, experimentation and improvisation, and insight and new learning. **Jane Fonda** Patricia Bosworth, 2011 In the hands of a seasoned, tenacious biographer, the evolution of one of the century's most controversial and successful women becomes nothing less than the enthralling saga of a mythic American life.

The Vietnam War in Popular Culture Ron Milam, 2016-11-07 Covering many aspects of the Vietnam War that have not

been addressed before this book supplies new perspectives from academics as well as Vietnam veterans that explore how this key conflict of the 20th century has influenced everyday life and popular culture during the war as well as for the past 50 years How did the experience of the Vietnam War change the United States not just in the 1950s through the 1970s but through to today What role do popular music and movies play in how we think of the Vietnam War How similar are the recent wars in Iraq and Afghanistan and now Syria to the Vietnam War in terms of duration cost success and failure rates and veteran issues This two volume set addresses these questions and many more examining how the Vietnam War has been represented in media music and film and how American popular culture changed because of the war Accessibly written and appropriate for students and general readers this work documents how the war that occurred on the other side of the globe in the jungles of Vietnam impacted everyday life in the United States and influenced various entertainment modes It not only covers the impact of the counterculture revolution popular music about Vietnam recorded while the war was being fought and after and films made immediately following the end of the war in the 1970s but also draws connections to more modern events and popular culture expressions such as films made in the aftermath of September 11 2001 Attention is paid to the impact of social movements like the environmental movement and the civil rights movement and their relationships to the Vietnam War The set will also highlight how the experiences and events of the Vietnam War are still impacting current generations through television shows such as *Mad Men*

[A Long-Shadowed Grief](#) Harold Ivan Smith, 2007-01-25 In the aftermath of suicide friends and family face a long road of grief and reflection With a sympathetic eye and a firm hand Harold Ivan Smith searches for the place of the spirit in the wake of suicide He asks how one may live a spiritual life as a survivor and he addresses the way faith is permanently altered by the residue of stigma that attaches to suicide

The Psychological War for Vietnam, 1960-1968 Mervyn Edwin Roberts III, 2018-02-28 The Psychological War for Vietnam 1960 1968 for the first time fully explores the most sustained intensive use of psychological operations PSYOP in American history In PSYOP US military personnel use a variety of tactics mostly audio and visual messages to influence individuals and groups to behave in ways that favor US objectives Informed by the author's firsthand experience of such operations elsewhere this account of the battle for hearts and minds in Vietnam offers rare insight into the art and science of propaganda as a military tool in the twentieth century The Psychological War for Vietnam 1960 1968 focuses on the creation capabilities and performance of the forces that conducted PSYOP in Vietnam including the Joint US Public Affairs Office and the 4th PSYOP Group In his comprehensive account Mervyn Edwin Roberts III covers psychological operations across the entire theater by all involved US agencies His book reveals the complex interplay of these activities within the wider context of Vietnam and the Cold War propaganda battle being fought by the United States at the same time Because PSYOP never occurs in a vacuum Roberts considers the shifting influence of alternative sources of information especially from the governments of North and South Vietnam but also from Australia Korea and the Philippines The Psychological War for Vietnam 1960 1968 also addresses the

development of PSYOP doctrine and training in the period prior to the introduction of ground combat forces in 1965 and finally shows how the course of the war itself forced changes to this doctrine The scope of the book allows for a unique measurement of the effectiveness of psychological operations over time **Ted Turner** Michael O'Connor,2009-11-12 This book chronicles the life story of Ted Turner cable television mogul successful baseball team owner and fascinating public figure Ted Turner A Biography tells the story of a man whose wide range of accomplishments have led to a Man of the Year award from Time magazine induction into the Advertising Hall of Fame and numerous awards and honorary degrees for humanitarian philanthropic and environmental activism Ted Turner shows how this remarkable unpredictable man built the risky purchase of a small Atlanta UHF station into a cable television juggernaut as well as how Turner transformed the Atlanta Braves from a lowly franchise to one of baseball s most popular and successful teams The book also highlights other fascinating aspects of Turner s life including his record breaking career as a yachtsman his extraordinary efforts to save the American bison his headline making marriage to Jane Fonda and his sometimes contradictory often controversial public persona
