My Slave My Conquest BdsM Male Domination Female Submission Erotica:

Dominant Female Submissive Male Sophia James, 2019-04 Why do Women even very attractive women stay in relationships with Men who treat them badly Is it low self esteem or a desire to submit to a dominant man A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right In my case it was the latter I wanted the big handsome hunky guy who would sweep me off my feet treat me like a princess in public and his sex slave in the bedroom But as most women find out life is not a fairy tale A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman s job is just to supply sex and child care WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE I didn t realise it until I was thirty five and until that point I put up with my men coming home drunk wasting my money getting fatter and more abusive and providing me with increasingly disappointing sex I put up with it no longer I now have a man who sees it as his principle aim in life to keep me happy contented wealthy and sexually satisfied I have known my man for most of my life but he only became my boyfriend seven years ago During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female And my boyfriend is also my slave In this book I explain how all this came about The book is more about personal transformation and female empowerment than it is about kinky usually fictional sexual fantasies The success of the book Fifty shades of grey shows the interest there is out there in an alternative discipline based life style and emphasises that many women share that interest Unlike fifty shades of grey Dominant Female Submissive Male is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye opener for frustrated women as it shows them the glorious very exotic and exciting life they could have While some submissive men are slightly pathetic and even creepy many are romantic kind hearted reliable and good fun They adore and respect women and see it as their role in life to support them What s not to like about that They will have a desire for discipline and this desire will be inextricably linked to their sexual nature For some this will be extreme and involve heavy BDSM but for most it will involve safe erotic role play and spankings The point is that Women control when how and even if it happens Women have the power in all aspects of the relationship and how they exercise that power is up to them Believe me once you have a man on his knees begging for an orgasm you will never look back But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when with a little change of emphasis their dreams are so easily achievable This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving fulfilling and very kinky relationship It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her It also explains how to tell your wife about your desire for

female domination and more importantly how not to It also offers cautionary tales and about how not to get ripped off by unscrupulous con artists The central aim of the book however is to bring together good men who have a desire for female domination with good women looking for a lover who will provide happiness support fun excitement and success Please click on the look inside feature for a preview

Bdsm Sex Slaves - Huge Bonus Edition - 10 Books in One! E. Taylor, 2014-02-10 My first lifestyle love my first Master showed me a world I had never even imagined It s no wonder I was in love with him He promised me the world and I was naive enough to believe him His teaching was simplistic yet intense He called it love but his love was blind Over time I outgrew him He didn t really mind that I wanted to go and you don t get that which you won t fight for The truth is he never really wanted me he just liked knowing I was there He knew he could walk through the door and my body would ache for his touch and he was right I played with others experimented here and there but it was last summer that I found a man that stirred me as deeply as my first Dom I smile at the thought He was something special Every day for weeks he told me I was beautiful He looked at me like he was looking into the face of love He spoiled me like no one in my life ever had Even when he was out of town he made it feel like we were never apart Every night when we were away from each other he undressed grabbed his pillows and curled up on Skype We fell asleep with our cameras going A thousand miles apart but so close It was everything we imagined and the sex was unbelievable But all good things come to an end and I m once again searching The time and world they lived in made these lovely ladies BDSM sex slaves Society expected their submission and they were happy to give it This is a time when the town priest commanded more respect than the mayor He also enjoyed much more freedom sexually with the ladies than he does now So many female bisexual BDSM sex slaves were trained disciplined and enjoyed Often it was part of their spiritual purification Read all about it as it s based on a true story Included in this book are nine additional bonus books making this big book a 69 50 value Your

His to Train: Submissive's Audition (BDSM, Domination, MMF, Public Sex) Jessica Whitethread, 2014-06-21 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play humiliation discipline multiple partners forced exhibition submission and dominance All characters are 18 or older Jennifer's dominant Robert has applied for the two of them to become members in the highly exclusive Tremboix Society a BDSM network of the city's most powerful and influential Though Robert Daniels surely falls within that category he agrees that they must go through the Tremboix's rigorous screening process Rather than questionnaires or resumes the Tremboix uses only one metric to assess potential couples the worthiness of the submissive So it is that Jennifer finds herself standing alone before a gathering of the city's most powerful and sexually dominant men with only one task obey Excerpt Any woman can give in to a little rough sex he went on A firm hand or even a couple tight knots and most women think they've learned what it is to give in and submit His hand brushed upwards from my hip caressing the side of my breast almost imperceptibly and then ran back down and out over my sensitive stomach He felt me trembling in his hands felt each little automatic response to every contact he made with me The hand rose again and cupped my right breast teasing at the nipple ever so lightly I felt myself thrusting my chest into his hand begging for more substantial stimulation but his hand withdrew in just far enough to maintain its infuriating lightness All the while the other hand worked its delicate touch up my thigh claiming my body as his one inch at a time As he continued to speak his tone became quieter and more seductive almost hypnotic But me I can tell when a woman is truly utterly powerless It doesn't have anything at all to do with ropes The tips of his fingers brushed the lace of my panties Do you know what I mean Jennifer Yes I gasped I felt paralyzed by need not just his touch but his orchestration He was playing my body and every note seemed to match a perfect harmony I had never listened for before All the while it seemed that the air I breathed was of nothing but his scent issuing me deeper into his world of physical bliss Yes sir I repeated slightly less breathlessly in an attempt to hide my state from the onlookers Jack of course knew precisely what he was doing to me There was no concealing this experience from him I would be safe in his arms his touch told me I could let myself go
