James M. Moten

My Special Forces Boyfriend Part English Edition:

Nantucket Penny Steven Axelrod, 2021-07-06 It's wedding season on Nantucket and two unwelcome guests are crashing the party. When people begin disappearing from the island, Nantucket Police Chief Henry Kennis is baffled. The victims are not random; they're all Nantucket High School alumni. And the only clues left behind are pennies dropped at the sites of the kidnappings. There's an old island tradition of tossing a penny from the ferry as you depart to ensure your eventual return. Has someone come back to the island with a sinister grudge to settle? Sippy Bascomb and Doug Fraker were childhood best friends bonded as fellow victims of bullying at the hands of their classmates. The two men hadn't seen each other in years, but when Sippy comes across Doug's blog airing grievances from the past, the two reconnect and hatch a plan to return to the island. Both seek revenge, but Doug wants their tormentors to face a tribunal and appoints himself judge, jury, and executioner. When Henry's fiancée joins the missing, he enlists the aid of former intelligence agent Mitch Stone, a native who has returned to the island hoping for a peaceful retirement. The two men know they must find where their friends are being put on trial for their childhood crimes before their deadly sentences can be carried out. **Possession** Elana

Johnson, 2012-05-08 In a world where Thinkers control the population and Rules are not meant to be broken, 15-year-old Violet Schoenfeld must make a choice: to control or be controlled, after learning truths about her dead sister and missing father. **In the Company of Soldiers** Melia Meichelbock, 2007-08-17 In the Company of Soldiers is an entertaining and honest read. This book takes the reader behind the scenes of the Iraq war and offers a perspective not often seen on television news or in the newspapers. It is interesting to hear about day-to-day life in a war zone. It is also interesting to learn about the little details of the everyday life of a soldier, such as how the bathroom situation works, etc. The idea of telling the narrative through a daily journal is great and offers a good variety of ups and downs since the reader lives each day with the author. This book took a lot of courage and fortitude to write. **Writer's Digest 16th Annual International Self-Published Book Awards**

Bait & Switch Kendall Ryan, 2016-02-09 I'm a rescuer. It's in my DNA. Stray dogs. Stray women. But this one doesn't need rescuing. She needs something real, but I never keep the ones I rescue. I could let her go, but I can't watch her walk away. I'm an ex-Navy SEAL, and I never give up on a mission. **Bait Switch** is Book 1 in the new contemporary romance series **Alphas Undone**, which will each feature a new couple. This is a standalone full-length novel. **Remember Me Now**

Anna Brooks, 2016-05-09 One memory can repair everything. Lisa Scott's perfect world changed with a knock on her door. A widow for several years, she struggled with the reality of her life and made bad choices in her grief. But she's done with that now. She moves away from her once happy home to start anew, to remember who she really is. **Nikolas Nervetti** isn't going to talk about his problems. He's not going to share that, even though he's tough as nails on the outside, his heart is more fragile than anyone would believe. He plays his parts well, never revealing his truths, but he's sick of being on the sidelines, watching everyone around him fall in love while he remains unsatisfied. When the beautiful new bartender at Kelly's Pub leaves, **Nik**
