yet brilliant mind of Sidharth Sharotri comes a compilation of his serious automobile journalism work which consisted of him driving posh cars and making up stories around them for newspapers. These highly technical read not at all technical articles first appeared in a weekly motoring page called Honk in Deccan Chronicle and Asian Age between 2013 and 2015 which this author was exclusively entrusted with. Letters from the Open Road does exactly what his newspaper articles did: make the reader giggle a little bit while making them wonder if they should chase their own childhood dreams.
