Fortitudine ,1996 **The Twins Platoon** Christy W. Sauro,2006-03-20 In the evening of June 28 1967 150 young Americans were sworn into the Marine Corps as part of the pre game ceremonies of a Minnesota Twins baseball game Before the end of the fourth inning these volunteers were being hustled on to buses on their way to boot camp It was a journey that would take them from a boyhood of baseball in the American heartland to manhood on the killing fields of Vietnam Christy Sauro was one of the Twins Platoon and in this book he tells what it was like from the pomp and ceremony of induction to the all too real initiation by fire that would shortly follow in mere months he and most of the Twins Platoon were on the ground in Vietnam and promptly faced with some of the toughest fighting of the war the Siege of Khe Sanh and the Tet Offensive including the brutal Battle for Hue From baseball to boot camp to brutal combat his is a firsthand story of American life being lived at the limits and changed forever *The Leatherneck* ,1996 **Guidebook for Marines** Marine Corps Association,2014-06-01 Beyond Text Jennifer Buckley,2019-10-09 Taking up the work of prominent theater and performance artists Beyond Text reveals the audacity and beauty of avant garde performance in print With extended analyses of the works of Edward Gordon Craig German expressionist Lothar Schreyer the Living Theatre Carolee Schneemann and Guillermo G mez Pe a the book shows how live performance and print aesthetically revived one another during a period in which both were supposed to be in a state of terminal cultural decline While the European and American avant gardes did indeed dismiss the dramatic author they also adopted print as a theatrical medium altering the status form and function of text and image in ways that continue to impact both the performing arts and the book arts Beyond Text participates in the ongoing critical effort to unsettle conventional historical and theoretical accounts of text performance relations which have too often been figured in binary chronological from page to stage or hierarchical terms Across five case studies spanning twelve decades Beyond Text demonstrates that print as noun and verb has been integral to the practices of modern and contemporary theater and performance artists **My Life and Lens** Capt. Robert L. Bowen,2017-03-20 Journalists possess critical responsibilities one is simply to inform another is to explain As a military photojournalist during the Vietnam Era Bob Bowen has captured visually with his camera and explained eloquently with his written words the horrors and the honorable service of that period In his new book My Life and Lens Bowen articulates not only high action combat but the artful subtleties and tactics of warfare He writes so well that the reader is pulled into the stories as if there in person It is one thing to provide facts to America s cumulative history it s another to display the facts through personal experiences One will learn through reading this memoir that the life of a journalist in a war zone could be short lived It is dangerous work but when successful the work informs This is what makes Bowen s book such a compelling read This memoir is an excellent pictorial

and literary contribution not only to our nation's history but in the recognition of those who honorably participated in that unpopular conflict. Respect is demonstrated to the families of the brave American heroes of this long ago era by Bob Bowen's memorializing them in his book *Worth*. Earlwood Norman Jr, retired account executive EDS Corporation author of two biographies *James Solomon Russell* Former Slave Pioneer Educator and Episcopal Evangelist McFarland Publishing 2012 *William Jelks Cabaniss Jr Crossing Lines in His Business Political and Diplomatic Life* Archdeacon Books 2014 and one memoir *Six Bits USMC 1962 1963 My Years in USMC Bands 1962 1966* Kindle eBook I predict this is a great book by Bob Bowen who is writing about his own life during the Vietnam War. Bob is an expert photographer and was a war correspondent and a fine writer. This job was dangerous. This book could really take off and be a great success. I recommend it to anyone interested in the Vietnam War. The war was a harrowing experience for the men involved and they have never been given proper credit for their bravery. Don Gilmore author *Eyewitness Vietnam*. The images you captured of our Marines in Vietnam are unequalled. Your book will be a smash hit. Franklin Cox author *Lullabies for Lieutenants*. My friend Bob Bowen has been a member of The American Legion for more than four decades during which time he has been totally devoted to our country, our veterans and their families. This memoir details his insights not only into war and coming home but also into the people who are Americans. His life is proof that when most veterans take off their uniforms they don't quit their service to the nation. *My Life and Lens* is the inspiring story of how one Marine is still serving America. Daniel S Wheeler National Adjutant The American Legion
