Commit for Success Burn Lin, PhD, 2025-07-16. The author of this book is a world-class scientist, inventor, educator, and preacher. His profound influence on semiconductor technology has shaped Taiwan and the global industry, leaving a lasting legacy. This book distills his life lessons built upon the golden triangle of family, work, and spiritual life, offering readers a model to success and fulfillment. Through a clear, sincere, and humorous style, Burn shares the experiences that defined his journey, his character, approach to work, and the highs he has reached throughout his life. In this book, Burn discusses how family, work, and spiritual life form a golden triangle, the fundamental structure upon which one's life is built. Like a triangle, the most stable polygon, each corner plays a vital role in sustaining balance and growth. With decades of dedication, Burn provides insights into how he has maintained equilibrium among these three essential aspects, guiding readers to build upon this foundation and achieve even greater heights. The narrative unfolds across five distinct parts. Part One, *Sweet Family of Mine*, Burn reflects on his role as a son, sibling, husband, and father, sharing heartfelt stories about his unique parents, gifted siblings, and the incredible wife whom he believes was prepared for him by the Lord. He also recounts cherished memories with his special daughter and son. Part Two, *The Gentle Ascent*, This section covers Burn's education and hobbies spanning Vietnam, Taiwan, and the United States. His dedication and focus caught the attention of parents, teachers, classmates, and colleagues. Beyond academia, Burn has pursued passions in sports, physical exercise, music, and photography with the same commitment. His philosophy: Put your heart into learning, diligently practice, consistently reflect, and improve, and you will ultimately reach your best. Part Three, *Walking in Faith*, Burn shares his personal testimony, chronicling his six-decade journey in faith. He recounts his turning point from atheism to Christianity, the miraculous events that led his objecting and authoritative father to accept Christ, and unusual insights drawn from his sermons and evangelical messages. Part Four, *My Working Life*, Burn spent 22 years at IBM, 9 years running his own business, 15.5 years at TSMC, and 9.5 years in education. He details his path to success as an employee, supervisor, innovator, problem solver, and team player, offering valuable lessons for professionals at all levels. Part Five, *Cherished Memories*, This final section recounts the memorable moments from Burn's TSMC retirement party, including speeches from Chairman Morris Chang and several executive colleagues. His evangelical farewell message left a profound and lasting impression on all in attendance.
