Summary of William J. Bernstein's The Intelligent Asset Allocator

Everest Media, 2022-05-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The second choice is to invest in a coin toss You will receive a 30 percent return if you get heads but a minus 10 percent return if you get tails This option will be referred to as Uncle Fred s coin toss or simply the coin toss 2 The coin toss example demonstrates the difference between the average and annualized return of an asset The average return is the average of each of the individual annual returns while the annualized return is the return you must earn each and every year to equal the result of your series of differing annual returns 3 The coin toss is a convenient way to demonstrate the risks and returns of common stocks The return of common stocks over the past 73 years has been 11 22 percent in the same league as the coin toss 4 The annualized return is the return which would be required each year to yield the same result It is calculated by dividing the return by the number of years it took to achieve it The average return is the average of the eight individual returns while the return required to achieve the same result is 9 397%

All About Asset Allocation, Second Edition

Richard Ferri, 2010-06-21 WHEN IT COMES TO INVESTING FOR YOUR FUTURE THERE S ONLY ONE SURE BET ASSET ALLOCATION THE EASY WAY TO GET STARTED Everything You Need to Know About How To Implement a smart asset allocation strategy Diversify your investments with stocks bonds real estate and other classes Change your allocation and lock in gains Trying to outwit the market is a bad gamble If you re serious about investing for the long run you have to take a no nonsense businesslike approach to your portfolio In addition to covering all the basics this new edition of All About Asset

Allocation includes timely advice on Learning which investments work well together and why Selecting the right mutual funds and ETFs Creating an asset allocation that s right for your needs Knowing how and when to change an allocation Understanding target date mutual funds All About Asset Allocation offers advice that is both prudent and practical keep it simple diversify and above all keep your expenses low from an author who both knows how vital asset allocation is to investment success and most important works with real people John C Bogle founder and former CEO The Vanguard Group With All About Asset Allocation at your side you ll be executing a sound investment plan using the best materials and wearing the best safety rope that money can buy William Bernstein founder Effi cientFrontier com and author The Intelligent Asset Allocator

The Active Asset Allocator Jennifer Woods,2009-12-31 How investors can maximize returns and minimize risk using exchange traded funds and the latest asset allocation techniques Used wisely exchange traded funds ETFs can make it easy to customize an asset allocation strategy for an investor s specific situation They re a perfect way to divide money among various asset classes such as stocks bonds currencies and real estate This groundbreaking book shows investors how and why to use ETFs as their primary investment vehicle The benefits include instant diversification transparency tax efficiency low costs and intraday pricing ETFs for the stock market combine the best features of individual stocks and mutual funds They allow investors to easily buy and sell portions of the total market offering more diversity than individual stocks without the expenses and hassles of mutual funds For example the ETF called SPY also known as Spydery represents the largest five hundred stocks an investor who buys shares of SPY is actually buying five hundred stocks rolled into one There are hundreds of ETFs in sectors ranging from energy to financials to technology The Active Asset Allocator explains how to balance the risks and rewards of various asset classes to match an investor s current goals It also shows how to rebalance a portfolio over time adjusting the allocation to generate higher returns with lower risk as market conditions change

The Bogleheads' Guide to Investing Mel Lindauer,Taylor Larimore,Michael LeBoeuf,2021-11-23 The irreverent guide to investing Boglehead style The Boglehead s Guide to Investing is a DIY handbook that espouses the sage investment wisdom of John C Bogle This witty and wonderful book offers contrarian advice that provides the first step on the road to investment success illustrating how relying on typical common sense promoted by Wall Street is destined to leave you poorer This updated edition includes new information on backdoor Roth IRAs and ETFs as mainstream buy and hold investments estate taxes and gifting plus changes to the laws regarding Traditional and Roth IRAs and 401k and 403b retirement plans With warnings and principles both precisely accurate and grandly counterintuitive the Boglehead authors show how beating the market is a zero sum game Investing can be simple but it s certainly not simplistic Over the course of twenty years the followers of John C Bogle have evolved from a loose association of investors to a major force with the largest and most active non commercial financial forum on the Internet The Boglehead s Guide to Investing brings that communication to you with comprehensive guidance to the investment prowess on display at Bogleheads.org You ll learn how to craft your own

investment strategy using the Bogle proven methods that have worked for thousands of investors and how to Choose a sound financial lifestyle and diversify your portfolio Start early invest regularly and know what you re buying Preserve your buying power keeping costs and taxes low Throw out the good advice promoted by Wall Street that leads to investment failure Financial markets are essentially closed systems in which one s gain garners another s loss Investors looking for a roadmap to successfully navigating these choppy waters long term will find expert guidance sound advice and a little irreverent humor in The Boglehead s Guide to Investing **QFINANCE: The Ultimate Resource, 4th edition** Bloomsbury
