Sumrall III, David H. McElreath, Don W. Jones, 2013-10-28 From small law offices to federal agencies all entities within the justice system are governed by complicated economic factors and face daily financial decision making A complement to Strategic Finance for Criminal Justice Organizations this volume considers the justice system from a variety of economic and financial perspectives and introduces quantitative methods designed to improve the efficiency and effectiveness of organizations in

both the non profit and for profit sectors Using only a minimum of theory Economic and Financial Analysis for Criminal Justice Organizations demonstrates how to make decisions in the justice system using multiple financial and economic models Designed for readers with little knowledge of advanced mathematics quantitative analysis or spreadsheets the book presents examples using straightforward step by step processes with Excel and Linux Calc spreadsheet software A variety of different types of decisions are considered ranging from municipal bond issuance and valuation necessary for public revenues pension planning capital investment determining the best use of monies toward construction projects and other resource planning allocation and forecasting issues From municipalities and police departments to for profit prisons and security firms the quantitative methods presented are designed to improve the efficiency and effectiveness of all organizations in the justice domain

The Foundations of Communication in Criminal Justice Systems Daniel Adrian Doss, William H. Glover, Jr., Rebecca A. Goza, Michael Wigginton, Jr., 2014-10-17 Myriad forms of communication occur within the criminal justice system as judges and attorneys speak to juries law enforcement officers interact with the public and the news media presents stories of events in courtrooms Hindrances abound however Law enforcement officers and justice system personnel often encounter challenges that affect their ability to communicate with others ranging from language barriers to conflicting accounts of witnessed events to errors caused by malfunctioning technology Examining the relevancy of the U S Constitution to modern communications The Foundations of Communication in Criminal Justice Systems demonstrates how information is conveyed from multiple perspectives in a range of scenarios enabling readers to see how these matters relate to and affect the criminal justice system Topics covered include How to use the communications process within the justice system from the crafting of messages through the solicitation of feedback Effective methods for persuading individuals and audiences Federal regulations in the workplace and workplace communications tactics How law enforcement and public safety entities use marketing and advertising to influence the general public How to use multimedia resources when communicating Using multiple communications styles to support effective leadership The book concludes with discussions on innovations in communication technology natural language processing cybernetics and other emerging concepts With an emphasis on logical reasoning in communication the book explores the perspectives of numerous players in the justice system from patrol officers to attorneys Supplemented by examples of written communication templates that can be adapted within a law enforcement organization it provides readers with solid theoretical and applied approaches to the subject matter

Research in Finance John W. Kensinger, 2012-05-16 The theme of this volume is Dealing with Volatility and Enhancing Performance During a time when there is much concern about the perceived volatility of global equity markets the insights offered here could be reassuring as well as useful

International Encyclopedia of Hospitality Management 2nd edition Abraham Pizam, 2012-06-25 The International Encyclopedia of Hospitality Management is the definitive reference work for any individual studying or working in the hospitality industry There are 185 Hospitality Management degrees in the

UK alone This new edition updates and significantly revises twenty five per cent of the entries and has an additional twenty new entries New online material makes it the most up to date and accessible hospitality management encyclopedia on the market It covers all of the relevant issues in the field of hospitality management from a sectoral level lodging restaurants food service time share clubs and events as well as a functional one accounting and finance marketing strategic management human resources information technology and facilities management Its unique user friendly structure enables readers to find exactly the information they require at a glance whether they require broad detail that takes a more cross sectional view across each subject field or more focused information that looks closely at specific topics and issues within the hospitality industry today

Economic Issues of Social Entrepreneurship Elena G. Popkova, Bruno S. Sergi, 2021-10-06 Social entrepreneurship is one of the most controversial actualities of the modern economy On the one hand social entrepreneurship makes up for market failures and prevents the deficit of socially essential goods and services in the marketplace acting as their supplier On the other hand the survival of social entrepreneurship in an aggressive market environment is a challenging task the fulfilment of which may distort the original essence of social entrepreneurship Comprising a collection of research presented at the International Scientific Conference Advanced Issues on Social Entrepreneurship this contributed volume offers a global economic analysis of social entrepreneurship Whilst social entrepreneurship is indispensable to the modern economy the current controversial model of its organization means it cannot fully accomplish its mission This book offers potential solutions to this problem with the global and national strategies of economic growth and social progress It includes a focus on emerging markets in which the role of social entrepreneurship is especially high This book is aimed at scholars and students who are interested in social entrepreneurship and corporate economics and practitioners involved in this field It will also be of interest to policy makers in the development and implementation of a national economic policy for support for social entrepreneurship in emerging markets

financial management ,2007 Intermediate Financial Management Eugene F. Brigham, Louis C Gapenski, Ph.D., Associate Professor Michael C Ehrhardt, PH.D., 1999 Measuring Business Interruption Losses and Other Commercial Damages Patrick A.
