All through that summer the work of the farm went like clockwork. The animals were happy. Every mouthful of food was a pleasure, it was truly their own food, produced by themselves and for themselves, not doled out to them by a grudging master. With the worthless human beings gone, there was more for everyone to eat. They met with many difficulties too while farming – but the clever pigs and strong Boxer always pulled them through. Boxer was the admiration of everybody. There were days when the entire work of the farm seemed to rest on his mighty shoulders. From morning to night he was pushing and pulling, always at the spot where the work was hardest. His answer to every problem was "I will work harder." That was his personal motto.

- (1) Why were the animals happy ?
- (2) Who helped them overcome the problems in farming ?
- (3) Is the name "Boxer" appropriate for the horse ? Justify your answer.
