Los Angeles Local Channel Guide

Christina von Hodenberg

Los Angeles Local Channel Guide:

TV Guide Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium

Television's Moment Christina von Hodenberg, 2015-07-01 Television was one of the forces shaping the cultural revolution of the 1960s and 1970s when a blockbuster TV series could reach up to a third of a country's population This book explores television's impact on social change by comparing three sitcoms and their audiences The shows in focus *Till Death Us Do Part* in Britain *All in the Family* in the United States and *One Heart and One Soul* in West Germany centered on a bigoted anti hero and his family Between 1966 and 1979 they saturated popular culture and managed to accelerate as well as deradicalize value changes and collective attitudes regarding gender roles sexuality religion and race

TV Guide ... Index, 1979 *Living Room Lectures* Nina C. Leibman, 2010-07-22 With a breadwinner dad a homemaker mom and squeaky clean kids the 1950s television family has achieved near mythological status as a model of what real families ought to be Yet feature films of the period often portrayed families in trouble with parents and children in conflict over appropriate values and behaviors Why were these representations of family apparently so far apart Nina Leibman analyzes many feature films and dozens of TV situation comedy episodes from 1954 to 1963 to find surprising commonalities in their representations of the family Redefining the comedy as a family melodrama she compares film and television depictions of familial power gender roles and economic attitudes Leibman's explorations reveal how themes of guilt deceit manipulation anxiety and disfunctionality that obviously characterize such movies as *Rebel without a Cause* *A Summer Place* and *Splendor in the Grass* also crop up in such TV shows as *The Adventures of Ozzie and Harriet* *Father Knows Best* *Leave It to Beaver* *The Donna Reed Show* and *My Three Sons* Drawing on interviews with many of the participants of these productions archival documents and trade journals Leibman sets her discussion within a larger institutional history of 1950s film and television Her discussions shed new light not only on the reasons for both media's near obsession with family life but also on changes in American society as it reconfigured itself in the postwar era *FCC Record*

United States. Federal Communications Commission, 2002 **Edmond O'Brien** Derek Sculthorpe, 2018-10-18 One of the most versatile actors of his generation Edmond O'Brien made a series of iconic noir films From a man reporting his own murder in *D O A* 1949 to the conflicted title character in *The Bigamist* 1953 he portrayed the confusion of the postwar Everyman His memorable roles spanned genres from Shakespeare to westerns and comedies he also turned his hand to directing He won the Academy Award for Best Supporting Actor as the harassed press agent Oscar Muldoon in Joseph Mankiewicz's bitter Cinderella fable *The Barefoot Contessa* 1954 This first in depth study of O'Brien charts his life and career from Broadway to Hollywood and to the rise of television revealing a devoted family man dedicated to his craft

against the radical activities and attitudes of the previous decade. Instead, Kutulas argues that the experiences and attitudes that were radical in the 1960s were becoming part of mainstream culture in the 1970s as sexual freedom, gender equality, and more complex notions of identity, work, and family were normalized through popular culture, television, movies, music, political causes, and the emergence of new communities. Seemingly mundane things like watching *The Mary Tyler Moore Show*, listening to Carole King songs, donning Birkenstock sandals, or reading *Roots* were actually critical in shaping Americans' perceptions of themselves, their families, and their relation to authority. Even as these cultural shifts eventually gave way to a backlash of political and economic conservatism, Kutulas shows that what critics perceive as the narcissism of the 1970s was actually the next logical step in a longer process of assimilating 1960s values like individuality and diversity into everyday life. Exploring such issues as feminism, sexuality, and race, Kutulas demonstrates how popular culture helped many Americans make sense of key transformations in U.S. economics, society, politics, and culture in the late twentieth century.

The Sitcoms of Norman Lear Sean Campbell, 2014-12-24

Archie Bunker, George Jefferson, Maude: the television sitcom world of the 1970s was peopled by the creations of Norman Lear. Beginning in 1971 with the premier of *All in the Family*, Lear's work gave sitcoms a new face and a new style. No longer were families perfect and lives in order. Mostly blue-collar workers and their families, Lear's characters argued, struggled, uttered sometimes shocking opinions, and had no problem contributing to or at least acknowledging the turmoil so shunned by 1960s television. Significantly, not only did Lear address difficult issues, but he did so through successful programming. Week after week, Americans tuned in to see the family adventures of the Bunkers, the Jeffersons, and Sanford and Son. With a thorough analysis of his sitcoms, this volume explores Norman Lear's memorable production career during the 1970s. It emphasizes how Lear's shows reflected the political and cultural milieu and how they addressed societal issues including racism, child abuse, and gun control. The casting, production, and behind-the-screen difficulties of *All in the Family*, *Sanford and Son*, *Maude*, *Good Times*, *The Jeffersons*, and *One Day at a Time* are discussed. Each show is examined from inception through series finale. Interviews with some of the actors and actresses such as Rue McClanahan of *Maude* and Marla Gibbs from *The Jeffersons* are included.

[David Susskind](#) Stephen Battaglio, 2010-10-12

A rich biography of one of the most important cultural figures of the 50s, 60s, and 70s: maverick television producer and talk show host David Susskind. A flamboyant impresario who began his career as an agent, David Susskind helped define a fledgling television industry. He was a provocateur who fought to bring high-toned literary works to TV. His series *East Side West Side* and *N.Y.P.D.* broke the color barrier in casting and brought gritty urban realism to prime time. He indulged his passion for issues and ideas with his long-running discussion program, first called *Open End* and then *The David Susskind Show*, where guests could come from The White House one week and a whorehouse the next. The groundbreaking program made news year in and year out. His legendary live interview with Nikita Khrushchev at the height of the Cold War inflamed both the political and media establishments. Susskind was an enfant terrible whose life, both on and off the screen, makes

fascinating reading His rough edges appetite for women and scorn for the business side of his profession often left his own career hanging by a thread Through extensive original reporting and deep access to David Susskind s personal papers family members and former associates Stephen Battaglio creates a vivid portrait of a go go era in American media David Susskind is as much a biography of an expansive and glamorous time in the television business as it is the life of one of its most colorful and important players **Focus On: 100 Most Popular Actresses from New York City** Wikipedia contributors,
