

# On a Desert Island

## Amazing Fact

Vulcan Point in the Philippines is an island in a lake on an island in a lake on an island!

## Challenge

Imagine you were stranded on a desert island.

What sort of things would you need?

What would you do?

Create a survival kit of five useful things you would need and describe what you would do to survive.

Let your imagination run riot!

You could also try to find out:

- what Vulcan Point looks like from above;
- what the smallest island in the world is;
- how islands and lakes are formed.

*Threads of Life* Clare Hunter, 2019-10-15 This globe spanning history of sewing and embroidery culture and protest is an astonishing feat richly textured and moving The Sunday Times UK In 1970s Argentina mothers marched in headscarves embroidered with the names of their disappeared children In Tudor England when Mary Queen of Scots was under house arrest her needlework carried her messages to the outside world From the political propaganda of the Bayeux Tapestry World War I soldiers coping with PTSD and the maps sewn by schoolgirls in the New World to the AIDS quilt Hmong story clothes and pink pussyhats women and men have used the language of sewing to make their voices heard even in the most desperate of circumstances Threads of Life is a chronicle

of identity memory power and politics told through the stories of needlework Clare Hunter master of the craft threads her own narrative as she takes us over centuries and across continents from medieval France to contemporary Mexico and the United States and from a POW camp in Singapore to a family attic in Scotland to celebrate the universal beauty and power of sewing

*The New Jewish Experiential Book* Bernard Reisman, Joel Reisman, 2002 Bernard Reisman is in many ways the founding father of informal Jewish education as a full fledged domain within the larger world of Jewish learning His original volume when it appeared in 1978 revolutionized much of Jewish educational practice for both youth and adults Over the years experiential education has proven itself to be a powerful tool not only for motivating but for reaching generations of teenagers young leaders and veteran adult learners about Jewish issues values and their own identities This new edition of Reisman's classic compendium of informal educational principles guidelines and activities enriches the storehouse of resources on which professional educators and lay program leaders can draw to address both timeless and timely concerns For those for whom experiential and informal education are concepts whose importance is recognized but whose effective practice is not well understood this book from the master will prove a highly valuable guide and companion

*Forms of Power* Gianfranco Poggi, 2016-04-07 Political power is often viewed as the sole embodiment of social power even while we recognize that social power manifests itself in different forms and institutional spheres This new book by Gianfranco Poggi suggests that the three principal forms of social power the economic the normative ideological and the political are based on a group's privileged access to and control over different resources Against this general background Poggi shows how various embodiments of normative ideological and economic power have both made claims on political power considered chiefly as it is embodied in the state and responded in turn to the latter's attempt to control or to instrumentalize them The embodiment of ideological power in religion and in modern intellectual elites is examined in the context of their relations to the state Poggi also explores both the demands laid upon the state by the business elite and the impact of the state's fiscal policies on the economic sphere The final chapter considers the relationship between a state's political class and its military elite which tends to use the resource of organized coercion for its own ends Forms of Power will be of interest to students and scholars of sociology and politics
