Autocar & Motor, 1994. **Austerity as Public Mood** Kirsten Forkert, 2017-09-20. Austerity as Public Mood explores how politicians and the media mobilise nostalgic and socially conservative ideas of work and community in order to justify cuts to public services and create divisions between the deserving and undeserving. It examines the powerful appeal of these concepts as part of a wider public mood marked by guilt, nostalgia, and resentment, particularly around the inequalities produced by global capitalism and changes to the nature of work. In doing so, the book engages with urgent questions about the contemporary political climate. Focusing on the UK, it challenges accounts of neoliberalism which frame it as primarily an individualising force and localist definitions of community as mitigating its damaging effects. Finally, it explores how resistance to austerity can challenge these tendencies by offering a politics of solidarity and hope and a forum for experimentation with alternative forms of collectivity. Ford Cars 1945 to 1995 David Rowe, Ford cars can be found all over the world and vintage models appear at most classic car shows. This book helps to identify the models sold by Ford of Britain and provides detailed information on each model with technical specifications, original colour photographs, and lists the colour schemes that were available. Continuing this popular series covering classic British cars, David Rowe now turns his keen eye to the British Ford models. He is well placed to do so, having worked at two Ford dealerships over a 30-year period and has driven many of the models covered by this book. *Ford Mondeo* A. K.
