Memes Some Of The Best Memes In One Bundleenglish Edition:

A Simple Explanation of Absolutely Everything Cyd Ropp, Ph.D.,2015-03-17 A Simple Explanation of Absolutely Everything is an entirely original philosophy that shows how ancient spiritual traditions harmonize with cutting edge scientific discoveries The Simple Explanation proceeds from the fundamental idea that the ground state of creation is consciousness Using only four basic principles A Simple Explanation explains our universal cosmology as a fractal pattern of consciousness that repeats itself in endless cycles of organization and cooperation from the smallest quanta through the largest astronomical objects A Simple Explanation of Absolutely Everything gives the reader new clarity to classical spiritual concepts such as centering God and The Golden Rule while at the same time explaining new ideas like fractals and quantum entanglement This most ecumenical and inclusive philosophy is able to bridge science with world religions by making sense of esoteric passages in such diverse works as the Bible and the Tao Te Ching and relating them to one simple to understand theory of everything Back cover

Maps and Memes Gwilym Lucas Eades,2015-01-01 Maps and cartography have long been used in the lands and resources offices of Canada s indigenous communities in support of land claims and traditional use studies Exploring alternative conceptualizations of maps and mapmaking Maps and Memes theorizes the potentially creative and therapeutic uses of maps for indigenous healing from the legacies of residential schools and colonial dispossession Gwilym Eades proposes that maps are vehicles for what he calls place memes units of cultural knowledge that are transmitted through time and across space Focusing on Cree Inuit and northwest coast communities the book explores intergenerational aspects of mapping landscape art practice and identity Through decades of living in and working with indigenous communities Eades has constructed an ethnographically rich account of mapping and spatial practices across Canada His extended participation in northern life also informs this theoretically grounded account of journeying on the land for commemoration and community healing Interweaving narrative accounts of journeys with academic applications for mapping the phenomena of indigenous suicide and suicide clusters Maps and Memes lays the groundwork for understanding current struggles of indigenous youth to strengthen their identities and foster greater awareness of traditional territory and place

Stars in Our Eyes Angela Ndalani,Charlotte Henry,2002-03-30 The media star has become a powerful almost unparalleled cultural sign even as the star system has undergone radical transformation since the era of the Hollywood studio system Today s film industry continues to market and promote its products through actors in ways that seek to capture the often elusive quality that a star can embody Using contemporary stars such as Robert De Niro Keanu Reeves Arnold Schwarzenegger and Dennis Hopper this anthology of essays applies a variety of theoretical tools in its attempt to understand how we interpret stars and how we can begin to understand their cultural significance Likewise the study explores how the star system has become an increasingly complex phenomenon within society at large extending its impact beyond the cinema into music sports and fashion Many of the essays collected here consider this shift and examine how
