

Justin Sheedy's first job out of school was a symbol of his rebellion against the 1980s. A decade so lame it cried out for any other. Crackernight, the annual fireworks festival of his childhood, was gone. So was Childhood.

Justin's teenage would be a search for *new* fireworks. He would *find* them... In his legendary schoolteachers, in questioning his elders, in playing rock and roll, in marching against nuclear madness, and in that scariest of all things known to Man: **GIRLS**. And all that was before he even *became*...

Quick on the Draw Aurora Cecilia VEGA, 2014-01-01 **Mary McCarthy's Collected Memoirs** Mary McCarthy, 2013-12-10 Three candid affecting memoirs by the 1 New York Times bestselling author of *The Group* including a National Book Award finalist. In *Memories of a Catholic Girlhood* Mary McCarthy begins with her recollections of a happy childhood cut tragically short by the death of her parents during the influenza epidemic of 1918. Tempering memory with invention McCarthy describes how orphaned at six she spent much of her childhood shuttled between two sets of grandparents and three religions: Catholic, Protestant, and Jewish. Early on McCarthy lets the reader in on her secret: The chapter you just read may not be wholly reliable. Facts have been distilled through the hazy lens of time and distance. *How I Grew* is McCarthy's intensely personal autobiography of her life from age thirteen to twenty-one. With detail driven by an almost astonishing memory recall, the author gives us a masterful account of these formative years. From her wild adolescence including losing her virginity at fourteen through her eventual escape to Vassar, the bestselling novelist, essayist, and critic chronicles her relationships with family, friends, lovers, and the teachers who would influence her writing career. And *Intellectual Memoirs* opens with McCarthy as a married twenty-four-year-old Communist and critic. She's disciplined, dedicated, and sexually experimental. At one point she realizes that in twenty-four hours she had slept with three different men. Over the course of three years she will have had two husbands, the second being the esteemed much older critic Edmund Wilson. It is Wilson who becomes McCarthy's mentor and muse, urging her to try her hand at fiction. *Intellectual Memoirs* is a vivid snapshot of a distinctive place and time: New York in the late 1930s and the forces that shaped Mary McCarthy's life as a woman and a writer.

Memoirs of a Tail Gunner Norman Ross, 2011 **My Book of Memoirs** Anne Sikes, 2007-07-01 Based on a series of blogs that I wrote, this book is my life story from birth to the present time. It is by no means a complete story, but the reader will come away knowing who I am and I think having felt the experiences of what I've been through in my lifetime. It was a healing experience to write, and it's my hope that the reader will come away in some way inspired by my story. Included are 76 pictures.

Boubou, Memories of Youth Jacques Lussan,2012-12-19 Jacques Lussan was born in 1943 in Paris during World War II. The nickname of Boubou was given to him very early on by his mother. Boubou was raised in Paris where he completed high school. His college education took place in Switzerland where he received his Diploma of Engineering at the Polytechnic School of Zurich. Boubou's studies were followed by his military service in Yugoslavia, his wedding, and a professional life of twelve years in a multinational company beginning in Switzerland. This company sent him for a one-year job rotation in the US that lasted four years. Then he decided to stay in New Jersey and he became a US citizen. Jacques Lussan built his own company together with his wife in 1985. Jacques is happily married to Michele, whom he met in Switzerland. They have two charming girls and two adorable grandchildren. They all have been living in the United States since 1980. This book is an autobiography of Boubou's youth in Europe from 1947 until the time he meets his future wife in 1969.

Memories of a Swing Maker Rhadames De Leon, 2011-09-01 Of the many books I have read, none has impressed me so much as this one. Its chapters, impressing the graphic and objective stories about the experience of the author as a correction officer for the state of NY, make him worthy of the most demanding reader, especially those agents in the service of law and order. The author describes amazing as well as interesting anecdotes of inmates. They are anecdotes worthy of historical value for their realism and accuracy. These stories will be an excellent material for the scholars of sociology and human behavior. Dorian Polanco I recommend this work to any agent of the law, likewise to any other reader who will enjoy its descriptive content. Ray DeLeon extracts from his prodigious mind, reminiscent
