

THE MEXICAN REVOLUTION STUDY GUIDE

Vocabulary for the Mexican Revolution

Anti-reelectionist party- Francisco Madero's party with which he ran in the 1910 election

Plan of San Luis Potosi- Written by Madero while in jail; declared that 1) the results of the 1910 election were null and void 2) Madero assumed the title of provisional president and 3) called for free elections when conditions permitted. Suggests Diaz hardly had an iron grip; along with this plan he called for armed resist; As a result: the rebel movement grew rapidly, as its troops took Ciudad Juarez (across the border from El Paso).

Treaty of Ciudad Juarez- was issued after the capture of the city of Juarez; provisions: ended hostilities, called for resignation of Diaz, and placed Francisco de la Berra as provisional president; the biggest problem with the treaty was that it left all of Diaz' institutions and his cabinet in place

Plan de Ayala- this was Emiliano Zapata's reform policy; maintained that all foreign lands would be seized, all lands previously taken from villages (ejidos) would be returned, 1/3 of all land held by "friendly" hacendados taken for redistribution, and all lands owned by Zapata's enemies would be taken. Zapatistas (country dwellers who had seen their lands taken away through "liberal" inspiration) said Madero "did not carry to a happy end the revolution which gloriously he initiated with the help of God and the people."

La Decena Tragica- the ten day period of turmoil in the capital where Felix Diaz and Bernardo Reyes begin fighting in Mexico City; led to Madero's fall and assassination and the rise of Huerta.

Plan de Guadalupe- Carranza assumes leadership of rebellion against Huerta; declared Huerta's rise to power illegitimate; Carranza declares himself "First Chief of the Constitutionalist Army"; followed by edicts pushed by Obregon and Luis Cabrera; restoration of ejidos and the establishment of the National Agrarian Commission, it also called for improved conditions of the poor

Aguaascaliente Convention (Hot waters convention)- Convention of Villa's, Carranza's, and Zapata's supporters; wanted to decide who would lead Mexico; led to Carranza's move to Veracruz for safety; Villa's troops take control of the convention hall; Villa also issue a suicide statement; Plan de Ayala adopted; led to debate between Conventionists (Zapata supporters and Villa supporters) vs. Constitutionlists (Carranza supporters)
