Motor, 2009-07-01 A faithful reproduction of the 1970 Floyd Clymer publication of the official Honda Factory Workshop
Manual specific to the 1962 1969 n10 50cc Sport Cub series of motorcycles This manual includes all of the data that you
would expect from a factory publication for the repair and overhaul of all major and minor mechanical and electrical
components It also includes a comprehensive troubleshooting section plus tables of technical data tolerances and fits making
it an invaluable resource for collectors and restorers of these classic Honda motorcycles There are 55 illustrations and each
procedure is explained in a step by step method using an appropriate illustration The translation from Japanese to English is
at times a little quirky but the illustrations make up for any difficulty in understanding what needs to be done There are
separate sections that deal with the repair and overhaul procedures for the engine transmission wheels and brakes front
forks frame and carburetor plus a detailed electrical service section This is a must have reference for any Honda enthusiast
and would certainly assist in helping any potential purchaser better understand the inner workings prior to purchasing one of
these classic motorcycles Out of print and unavailable for many years this book is highly sought after on the secondary
market and we are pleased to be able to offer this reproduction as a service to all Honda enthusiasts worldwide **Honda**
