Bagent, 2018-09-15 Marriage by the Book defines marriage as God defines it A proper understanding of God's pattern for marriage is paramount to a successful marriage Marriage is not defined as a contract or a commitment in the Bible but it is a covenant This covenant is an agreement to spend life together It is sealed by God's approval Roles are played by the husband and the wife in God's plan for marriage The book explains these roles Success is the result of playing these roles in marriage The book covers three danger zones in marriage If the marriage is to succeed these danger zones must be managed correctly These danger zones are communication money and sex The Bible says God hates divorce However he loves the divorcees The book addresses divorce and remarriage according to what God says about it in the scripture Finally Marriage by the Book addresses how to find a mate It lists seven deal breakers and seven game changers that will help young single Christian people as they search for a mate *Intended for Pleasure* Ed Wheat, MD, 2023-11-14 *Calendar of State Papers, Domestic Series, of the Reign of William and Mary: 1694-1695* Great Britain.
