Naked Armor,2019-08-07 A guide to straight razor shaving The object of this little book is to furnish clear and full information about the art of shaving There are few men who do not experience more or less difficulty in shaving themselves with the straight razor and many who after a few unsuccessful attempts give it up in despair and go to the barber shop We believe most of these would much prefer to shave themselves if only they could do as well as a barber The advantages indeed seem to be wholly with the man who shaves himself In the first place the shaving is done in the privacy of his own room He has his own razor cup soap brush and towels which can be kept scrupulously clean and sanitary thus avoiding the constant danger of infection There is no long wait for the call of next After the first cost of the outfit there is nothing to pay either for services or tips Thus in point of time money and health the man who shaves himself is a decided gainer These early years of the 21st century have seen a resurgence in the use of the straight razor the dreaded cut throat Where once lathering up in front of a mirror with a brush of badger was seen as something old guys do appreciation of the straight razor shave has come full circle Almost universally known to give a far better shave than the modern cassette style safety razors and resharpenable to boot the straight is seen by many not just as a nostalgic piece of personal grooming equipment but as an integral part of the daily morning ritual This book first penned in 1905 by an unknown writer for an obscure correspondence course company in the United States has finally found its place It has found itself to be the Great Manifesto of the Shaving Renaissance Get back to basics learn the manly art of shaving     **2014 Lippincott's Nursing Drug Guide** Amy M. **Debunk This!** Matt Palumbo,2019-08-20 Countless studies have proven that over 90 percent of Trump related news coverage is negative and the percentage of journalists that identify as Republicans are in the single digits When liberals are running the show you can bet that their narrative has gone unchallenged If you tell a lie long enough people will begin to believe it and that s certainly the case with so many liberal myths that have become accepted as conventional wisdom In this book you ll learn among many other facts What happened to non gun mass killings when Australia enacted strict gun control The truth about Scandinavian socialism How Obama twisted the numbers to appear tough on immigration Why Mexico has stricter immigration laws than the US How Bill Clinton faked the Clinton surplus That the US doesn t have the majority of the world s mass shootings Why statistics claiming that illegal aliens commit fewer crimes than the general public are bogus The countless lies the media simply made up about the Trump administration If you re in need of ammunition to shoot down liberal lies this is the book for you

**Shaving - the Beginner's Masterclass**

Tyrone Humphries, 2015-04-07 Shaving is one of the most crucial of male grooming disciplines. In this professionally edited and highly comprehensive guide, the author takes the reader on an information-rich journey to enjoying a great quality shave in style. Tyrone covers all aspects of shaving crucial to the beginner without becoming overly detailed or wordy. This is a true Beginner's Masterclass created with the aim of rendering shaving accessible, interesting, and fun for uninitiated newcomers as well as those frustrated by their present quality of shave. After introducing the aims of the text, the author first turns to the types of razor on offer, examining their advantages and disadvantages: Straight Razors, Safety Razors, Double Edge Razors, Electric Razors. Principles of straight razor maintenance, namely stropping and honing, are then covered. After that, we're taken through a comprehensive list of required equipment: Mirror, Pre-shave Oils, Creams and Gels, Soap, and Lathering Bowl, Shave Brush, Shaving Scuttle or Mug, Aftershave, Talcum Powder, Antiseptic, and Alum. With the set-up dealt with, the book's practical portion begins. First, there are the best practices surrounding lathering. Both wet and dry type shave lathers are covered here in straightforward, easy-to-comprehend methods. We then move on to pre-shave preparation, followed by instruction on the best razor grips, movements, and techniques. After that, we look at shave methods as performed both with a straight razor and a double edge razor. Finally, the book turns to good post-shave practices, as well as tips on maintaining both a good environment and good skin quality between shaves.

**Foundations of Low Vision** Anne Lesley Corn, Jane N. Erin, 2010. *Foundations of Low Vision: Clinical and Functional Perspectives* is the ground-breaking text that highlighted the importance of focusing on the functional as well as the clinical implications of low vision. It has been completely updated and expanded in this second edition. The revised edition goes even further in its presentation of how best to assess and support both children and adults with low vision and plan programs and services that optimize their functional vision and ability to lead productive and satisfying lives based on individuals' actual abilities. Part 1: Personal and Professional Perspectives provides the foundations of this approach with chapters focused on the anatomy of the eye, medical causes of visual impairment, optics, and low vision devices, and clinical low vision services, as well as psychological and social implications of low vision and the history of the field. Part 2 focuses on children and youths, providing detailed treatment of functional vision assessment, instruction, use of low vision devices, orientation and mobility, and assistive technology. Part 3 presents rehabilitation and employment issues for working-age adults and special considerations for older adults.
