International Business Donald A. Ball, 2013-01 Enriched with maps, photos, and the most up-to-date world data, this text boasts the collective expertise of five authors with firsthand international business experience specializing in international management, finance, law, global strategy, and marketing. A claim no other text can make. In addition, each new copy of *International Business* 13e includes access to CESIM, an interactive IB simulation developed for industry professionals. Ball et al. is the only textbook on the market which features access to CESIM. Only Ball, McCulloch, Geringer, Minor, and McNett can offer a complete view of International Business as diverse as the backgrounds of business students. *International Business* John J. Wild, Kenneth L. Wild, Jerry C. Y. Han, 2005 Lively, topical, and accessible, this text is written integrating culture early and often to allow all students to grasp difficult conceptual material. The inclusion of numerous interesting and diverse examples of the intersection of business and culture motivates students to read on and learn. *International Business: The Challenges of Globalization* is the fastest growing international business book available today. It presents international business in a comprehensive yet concise framework. Recent real-world examples and engaging feature boxes really do bring the concepts of international business to life for readers. User feedback reveals that the reason this book is so popular is that it offers a fresh approach to international business that responds to the readers' requests and needs. A main goal in this third edition is to continue the progress made in the previous two, delivering the most readable, current, and concise international business book on the market. A must read for anyone involved in International Business. *International Business* John Wild, Kenneth Wild, 2018-01-12 NOTE: This edition features the same content as the traditional text in a convenient three-hole punched loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook.
