Love Was His Meaning:

Love Was His Meaning: An Introduction to Dame Julian of Norwich Pamela Lee Cranston, 2002 Love Is His Meaning Keith Ward, 2017-07-20 Jesus teaching has changed the world Yet his sayings can often seem cryptic and hard to understand In Love Is His Meaning Keith Ward explores the various figures of speech and images that Jesus used and finds they are all ways of expressing and evoking the self giving love of God manifested supremely in Jesus life They communicate spiritual truths often not in a literal but in a poetic way They encourage us to take our own moral decisions with sensitivity and care for others They show that God's love will never abandon anyone and that it extends to everyone in the world without exception And they promise a fulfilment of our hopes for a just and peaceable world that surpasses anything we might describe or imagine Putting aside literalist authoritarian legalistic judgemental and divisive presentations of Jesus teachings the author shows that what remains is the gospel of a divine love a love stronger than death and the only power that can and will redeem our disordered world **Love Is His Meaning. the Impact of Julian of Norwich** John Skinner, 2013-06 JULIAN OF NORWICH England's greatest mystic became the first woman to write in the English language when she recorded her Sixteen Showings revealing an intimate message of God's love and well being for his human family In the week of May 8 1375 she suffered a series of visions centring on the final sufferings of Christ Following this overwhelming experience she became an anchorite in a cell attached to the tiny church of St Julian in the city of Norwich And here she spent more than twenty years in prayerful contemplation eventually recording her Showings The first woman to write in the English tongue her writings only came to the fore at the beginning of the twentieth century they have gained a growing audience worldwide ever since John Skinner's modern translation *A Revelation of Love* published by Gracewing in 2004 with its inclusive language offered a fresh approach to Julian's powerful message of God's love for his human family The aim of his latest work is to enable newcomers to Julian to understand her complex theology and penetrate her deepest meaning Using the major part of his original translation Skinner inserts commentary and interpretation into the text The result is a flowing account of Julian's work where her voice is to be heard ever more clearly *Love was his meaning* Brant Pelphrey, 1982
