terrorist attacks on September 11 2011 discussions on ties between Islamic religious education institutions namely  
madrassahs and transnational terrorist groups have featured prominently in the Western media In the frenzied coverage of  
events however vital questions have been overlooked What do we know about the madrassahs Should Western policymakers  
be alarmed by the recent increase in the number of these institutions in Muslim countries Is there any connection between  
them and the global jihad Ali Riaz responds to these questions through an in depth examination of the madraassahs in
