

**MEMOIRS OF AN
ANTI-SEMITES**
GREGOR
VON REZZORI

INTRODUCTION BY
DEBORAH EISENBERG

Memoirs Of An Antisemite

Lars Fischer

Memoirs Of An Antisemite:

Memoirs of an Anti-Semite Gregor Von Rezzori, 2011-12-07 The elusive narrator of this beautifully written complex and powerfully disconcerting novel is the scion of a decayed aristocratic family from the farther reaches of the defunct Austro-Hungarian Empire In five psychologically fraught episodes he revisits his past from adolescence to middle age a period that coincides with the twentieth century's ugliest years Central to each episode is what might be called the narrator's Jewish Question He is no Nazi To the contrary he is apolitical accommodating cosmopolitan He has Jewish friends and Jewish lovers and their Jewishness is a matter of abiding fascination to him His deepest and most defining relationship may even be the strange dance of attraction and repulsion that throughout his life he has conducted with this forbidden desired inescapable imaginary Jewish other And yet it is just this relationship that has blinded him to and makes him complicit in the terrible realities of his era Lyrical witty satirical and unblinking Gregor von Rezzori's most controversial work is an intimate foray into the emotional underworld of modern European history *Memoirs of an Anti-Semite* Gregor Von Rezzori, 1989-09

New York Magazine, 1981-08-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Anti-Semitism before the Holocaust Albert S. Lindemann, 2014-09-19 An important new study on a complex and highly controversial topic Albert Lindemann provides a clear and balanced guide to anti-Semitism from ancient times right through to the twentieth century inter-war period and the Nazi Holocaust He looks at all countries where anti-Semitism manifested itself at different times and in different ways xxx in Russia the US Poland England Germany South Africa and Holland Throughout he asks difficult and unfamiliar questions to challenge long held and misguided beliefs An important new study which fills a gap in current literature

Myth and Madness Mortimer Ostow, 2018-04-17 The persistence of anti-Semitism and its current resurgence after a brief post-Holocaust suppression challenge those who study human behavior to locate the causal bases of anti-Semitism and find approaches to combat it This is an astonishing report of a nine-year study of the psychodynamics of anti-Semitism Undertaken by Dr Mortimer Ostow on behalf of the Psychoanalytic Research and Development Fund it puts flesh and bones on the discussion of antisemitism in Sigmund Freud's 1939 classic theoretical study *Moses and Monotheism* Its close adherence to case material and application of psychoanalytic theory to historical data and cultural products yields new insights into bigotry and equity alike By examining prejudiced patients and their myths Dr Ostow shows the common threads of anti-Semitism in a variety of national and cultural settings even under supposed optimal conditions when antisemitism is stringently controlled The work uses the psychiatric approach and can be read as a study of how this area of behavioral science reveals the interplay of the individual and the group cultural

background and material opportunities The book is divided into five major segments Psychoanalytic interpretation of anti-Semitism in the past clinical data on anti-Semitic sentiments in a variety of personal and national settings mythological dimensions of anti-Semitism and apocalyptic doctrines specific anti-Semitic myths including pre-Christian early and medieval Christian racial and post-modern Muslim anti-Semitism The final segment focuses on the pogrom mentality including the Nazi phenomenon antisemitic fundamentalism and black anti-Semitism Myth and Madness is informed by an amazing breadth of learning from biblical exegesis to modern sociology from close attention to mundane patients to evaluating mythic claims of the loftiest and at times most dangerous sort This is a landmark effort one that will be the touchstone for theoretical and clinical works to come

Anti-Education Friedrich Nietzsche, 2015-12-15 AN NYRB Classics Original In 1869 at the age of twenty-four the precociously brilliant Friedrich Nietzsche was appointed to a professorship of classical philology at the University of Basel He seemed marked for a successful and conventional academic career Then the philosophy of Schopenhauer and the music of Wagner transformed his ambitions The genius of such thinkers and makers the kind of genius that had emerged in ancient Greece this alone was the touchstone for true understanding But how was education to serve genius especially in a modern society marked more and more by an unholy alliance between academic specialization mass market journalism and the militarized state Something more than sturdy scholarship was called for A new way of teaching and questioning a new philosophy What that new way might be was the question Nietzsche broached in five vivid popular public lectures in Basel in 1872 Anti Education presents a provocative and timely reckoning with what remains one of the central challenges of the modern world

Gregor von Rezzori - Auf der Suche nach einer größeren Heimat Andrei Corbea-Hoisie, Cristina Spinei, 2024-12-16 Der vorliegende Band ist das Resultat einer internationalen Tagung die zwischen dem 2 und 5 Mai 2012 im ostrum nischen Jassy Iasy stattgefunden hat er bernimmt auch ihren Titel Gregor von Rezzori Auf der Suche nach einer größeren Heimat bei dessen Wahl wir uns gestatteten die berschrift eines Buches von Milo Dor leicht ge ndert zu zitieren Im Vergleich zum Tagungsprogramm wurden die Aufs tze in dem vorliegenden Buch das durch einige Beitr ge die in Jassy nicht pr sentiert werden konnten sowie dokumentarische Materialien und Rezensionen erg nzt wurde aufgrund ihrer thematischen Schwerpunkte meistens neu gruppiert Wir m chten dabei auch unsere tiefe Dankbarkeit f r die Grossz gigkeit ausdr cken mit der Frau Beatrice Monti della Corte die Gattin von Gregor von Rezzori unseren Bitten Ausz ge aus dem Nachlass des Gregor von Rezzori und Bilder aus dem Privatarhiv der Familie hier ver ffentlichen zu d rfen entgegengekommen ist

Anti-Semitism F. Schweitzer, M. Perry, 2005-11-03 In this provocative book Marvin Perry and Frederick M Schweitzer analyze the lies misperceptions and myths about Jews and Judaism that anti-semites have propagated throughout the centuries Beginning with antiquity and continuing into the present day the authors explore the irrational fabrications that have led to numerous acts of violence and hatred against Jews The book examines ancient and medieval myths central to the history of anti-semitism Jews as Christ-killers instruments of Satan and ritual murderers of

Christian children It also explores the scapegoating of Jews in the modern world as conspirators bent on world domination extortionists who manufactured the Holocaust as a hoax designed to gain reparation payments from Germany and the leaders of the slave trade that put Africa in chains No other book has focused its attention exclusively on a thematic discussion of historic and contemporary anti semitic myths covering such an expansive scope of time and allowing for such a painstaking level of exemplification Anti semitism is an essential book that will serve as a corrective to bigotry stereotype and historical distortion

Wilhelm Marr Moshe Zimmermann,1987-03-05 The creation of the term anti Semitism a century ago signalled a turning point in the history of Jew hatred marking the division between the classical Christian hatred of Jews and the modern politically rooted racist attitudes This is the first biography of radical writer and politician Wilhelm Marr the man who introduced the term anti Semitism into politics and founded the first Anti Semitic League Marr 1819 1904 began his political career as a democrat and revolutionary fighting for the emancipation of all oppressed groups including the Jews But when he became disillusioned with contemporary politics Jews became the focus of his attack Drawing on Marr s published and unpublished works as well as on previously unexamined journals and voluminous correspondence Zimmermann sets out to discover why an intellectual radical like Marr would become a virulent anti Semite As Zimmermann follows Marr s profound influence in the political literary and artistic circles of his day and his collaborations with Karl Marx Richard Wagner and other radical founders of modern anti Semitism he reveals the diverse ways that anti Semitism came to permeate German thought and illuminates critical moments in the emergence of the German Reich The book also includes Marr s surprising never before published Testament of an Anti Semite written at the end of his life when he finally turned his back on the movement he helped to create This is the first volume in a new Oxford series Studies in Jewish History The General Editor for the series is Jehuda Reinharz of Brandeis University

Antisemitism Richard S. Levy,Dean Phillip Bell,William Collins Donahue,Kevin Madigan,Jonathan Morse,Amy Hill Shevitz,Norman A. Stillman,2005-05-24 Written by top scholars in an accessible manner this unique encyclopedia offers worldwide coverage of the origins forms practitioners and effects of antisemitism leading to the Holocaust and surviving to the present day The word antisemite was first used to describe a politically motivated enemy of the Jews in 1879 The subject of antisemitism has often been focused on the Holocaust however current events and history have much to add to this discussion For example in 1995 a Japanese pseudo Buddhist religious cult imagining itself to be under attack by Jews released sarin gas on the Tokyo subway killing 12 From 1881 to 1900 there were 128 public accusations of Jewish ritual murder allegedly involving the killing of Christian children to use their blood for religious purposes Entries in this encyclopedia span the period from ancient Egypt to the modern era Key theoreticians of Jew hatred and their written works its permeation of Christianity and modern Islam and its political artistic and economic manifestations are covered This is the first comprehensive work that deals with the entire history of ideas and practices that engendered the Holocaust

The Socialist Response to Antisemitism in Imperial Germany Lars

Fischer,2007-03-19 What set antisemites apart from anti antisemites in Imperial Germany was not so much what they thought about the Jews but what they thought should be done about them Like most anti antisemites German Social Democrats felt that the antisemites had a point but took matters too far In fact Socialist anti antisemitism often did not hinge on the antisemites anti Jewish orientation at all Even when it did the Socialists arguments generally did more to consolidate than subvert generally accepted notions regarding the Jews By focusing on a broader set of perceptions accepted by both antisemites and anti antisemites and drawing a variety of new sources into the debate this study offers a startling reinterpretation of seemingly well rehearsed issues including the influence of Karl Marx s Zur Judenfrage and the positions of various leading Social Democrats Franz Mehring Eduard Bernstein August Bebel Wilhelm Liebknecht Karl Kautsky Rosa Luxemburg and their peers

Antisemitic Myths Marvin Perry,Frederick M. Schweitzer,2008 This anthology presents 90 documents that focus on the nature evolution and meaning of the principle myths that have made anti Semitism such a lethal force in history Jews as deicides ritual murderers agents of Satan international conspirators and conniving unscrupulous Shylocks

Antisemitism and Anti-Zionism in Turkey Efrat Aviv,2017-02-17 This book examines the place Antisemitism occupies within Turkish history and society especially since the rise of the AKP It also elucidates and analyses the various actors factors and changes that the term and the phenomena Antisemitism have gone through Additionally the book presents the Turkish regime s relations attitude and approach toward the Turkish Jewish community in Turkey

The Postwar Antisemite Lisa Silverman,Professor of History and Jewish Studies Lisa Silverman,2025-08-26 In the wake of the Holocaust Austrians Germans and others often turned to a figural Antisemite to come to terms with their altered political economic and cultural circumstances and to shape new national and moral self understandings This spectral figure of the Antisemite came into being after Nazi atrocities made explicit expressions of antisemitism socially taboo in Europe and the United States As The Postwar Antisemite explains the damaging effects of the figural Antisemite set in motion in Central Europe immediately after the Second World War spread far beyond Europe s borders and continue to this day

Antisemitism Susan Sarah Cohen,1999

Political Memoir George W. Egerton,1994 The genre of political memoir has a long history from its origins in classical times through its popularity in the age of courts and cabinets to its ubiquity in modern mass cultures where retired politicians increasingly attract large and eager readerships for their revelations Yet there is virtually no scholarly criticism which treats this complex form of literature as a distinct genre fusing autobiographical historical and political elements The essays in this book draw together the collaborative findings of a team of British European American and Canadian scholars to present a pioneering historical and critical study of the genre of political memoir analysing the development of its distinct functions and assessing leading memoirists in European American Canadian Indian and Japanese societies The editor George Egerton introduces the volume and surveys the principal features of the genre over its long history Otto Pflanze analyses the memoirs of Bismarck Robert Young Milton Israel Joshua Mostow and Robert Bothwell study

the memoir literature of France India Japan and Canada respectively Barry Gough and Tim Travers look at naval and military memoirists while Zara Steiner B J C McKercher and Valerie Cromwell assess the memoirs of diplomats and their families Leonidas Hill examines the memoirs of leading Nazis John Munro Francis Heller and Robert Ferrell convey inside information on the making of memoirs notably by the Canadian Prime Ministers Diefenbaker and Pearson and the American President Truman Stephen Ambrose assays Nixon as memoirist while Janos Bak portrays the status of memoirists under totalitarian regimes Wesley Wark and John Naylor analyse the proliferation of intelligence memoirs and government efforts to protect official secrets from the revelations of the candid memoirist The principal findings reached by the contributors in their study of this problematic but influential genre are set out by the editor in the concluding chapter **Class War or Race War**

Tamás Kende,2023-12-01 *Class War or Race War* is more than an anti thesis of the master narrative regarding the Soviet state antisemitism Kende not only refutes the originally anti Communist myth of the systemic nature of state socialism but tries to re and deconstruct the origins of this myth With intensive use of historical documents memoirs and the related historiography the book attempts to make historical sense from the myth it intends to refute Kende goes beyond the contemporary perceptions of the Jewish question and antisemitism and with close reading of original documents reconstructs the real frontlines of the Soviet society of the 1940s which were not constructed along identity political lines The book reinvests the long forgotten understanding of social classes in an allegedly classless and monolithic society The spontaneous formations of the actual frontlines in the hinterland or on the actual fronts battlefields in the Red Army lacked the participants class consciousness thus its occurrences in the form of conflict producing historical records were recorded as acts of antisemitism As the book advocates Jews could have been found on both sides of the inner frontlines of Soviet society during and right after WWII An insightful read for scholars of Soviet history that presents a bold and challenging interpretation of the regime and its flaws both perceived and real *Memoirs of a Russian Governor* Серге́й Дми́триевич Урусов (князь),1908 *Vienna's 'respectable' antisemites* Michael Carter-Sinclair,2021-02-02 Vienna s respectable antisemites offers a radical challenge to conventional accounts of one of the darkest periods in the city s history the rise of organised politically directed antisemitism between the late nineteenth and mid twentieth centuries Drawing on original research into the Christian Social movement the book analyses how issues such as nationalism mass poverty and social unrest enabled the gestation in respectable society of antisemitism an ideology that seemed to be dying in the 1860s but which was given new strength from the 1880s It delivers a riposte to portrayals of the lower clergy as a marginalised group that was driven to defend itself from liberal attacks by turning to anti liberal antisemitic action as well as exposing the nurturing role played by senior clergy As the book reveals the Church in Vienna as a whole was determined to counter liberalism to the point of welcoming any authoritarian regime that would do so *The Axis of World History* Yuri Okunev,2008-05-06 There is no available information at this time

The Top Books of the Year Memoirs Of An Antisemite The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Memoirs Of An Antisemite : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Memoirs Of An Antisemite : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Memoirs Of An Antisemite : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
