History and Memories of the Domestic Violence Movement Gill Hague,2021-05-26 In this captivating book activist and scholar Gill Hague recounts the inspiring story of the violence against women movement in the UK and beyond from 1960s onwards examining the transformatory politics behind this movement through an important historical and international lens

Girl, Uncoded Brandi Dredge,2024-10-22 For fans of true crime memoir comes a gripping tale of one woman s harrowing and spiritual journey of resilience after she learns that she was a victim of a sex crime and her husband was the culprit At sixteen Caroline longed to meet the man who owned the apartment she was hanging out at with her teenage friends The one they said was a stripper a fact that intrigued her From the moment she saw Gary Richard she craved his attention and once their eyes met he was all she wanted Months later she was dismayed to discover that she was pregnant But she had Gary Richard she reassured herself and he was all she needed to be okay A belief that didn t change even when holding their week old son she sat in court and watched him face charges for stolen property This was her family her life so when Gary Richard s lawyer suggested a ploy to show the judge he was a changed man she agreed At seventeen years old she became a wife Over the next nine years Caroline s identity and dreams of a fairy tale life became twisted by adultery betrayal poverty court cases and lies And then one evening the reality of her marriage finally became clear to her after a sergeant revealed she was the victim of one of her husband s crimes statutory rape and her son s DNA was the evidence the prosecution needed to convict him

The Brown Rabbit Kate Virginia,2007-09 At night when it is dusk and everything is settled down for the evening I often walk outside and look at everything in silhouette and thank God that I have made it this far I have lived long enough to enjoy all the fruits of my labor and have changed my life for the better Kate Virginia has taken the long road home In her gripping true life story she details how she first suffers unthinkable abuse as a child growing up in a dysfunctional family in the 1950s and then as an adult surviving several more years of domestic violence Virginia details how her family stays together despite grappling with molestation drug and alcohol addiction rape murder and a cancer diagnosis More than just a memoir The Brown Rabbit is meant to inspire and motivate those who are ready to either leave or give someone the strength to leave an abusive relationship Witness Virginia s battle to overcome seemingly insurmountable hardships and her mission to reclaim

her God given human right to be treated with dignity and respect Her riveting life story may just inspire you to change your own destiny leading you down a new road to true happiness and peace Splice of Life: A Memoir in 13 Film Genres

Charles Jensen,2024-05-01 Movies and memory intersect in this compelling and unconventional memoir from queer writer film aficionado and Jeopardy contestant Charles Jensen Splice of Life follows Jensen from his upbringing and struggles with sexual awareness in rural Wisconsin to his sexual liberation in college and finally to the complex relationships and bizarre coincidences of adulthood Exploring what it means to be male and queer each essay splices together Jensen's lived experiences with his analysis of a single film Deftly woven Splice of Life shows us how personal and cultural memory intertwine as well as how the stories we watch can help us understand the stories we all tell about ourselves *A Delicate*

Choreography David Sabeau,2023-10-24 The origins of the incest taboo have puzzled many of the most influential minds of the West from Plutarch to St Augustine St Thomas Aquinas Martin Luther David Hume Lewis Henry Morgan Sigmund Freud Emile Durkheim Edward Westermarck and Claude Lévi Strauss This book puts the discussion of incest on a new foundation It is the first attempt to thoroughly examine the rich literature from philosophical theological and legal treatises to psychological and biological genetic studies to a wide variety of popular cultural media over a long period of time The book offers a detailed examination of discursive and figurative representations of incest during five selected periods from 1600 to the present The incest discussion for each period is complemented with a presentation of dominant kinship structures and changes without arguing for causal relations Part I deals with the legacy of ecclesiastical marriage prohibitions of the Middle Ages Historians dealing with the Reformation have wondered about the political and social implications of theological debates about the incest rules the Enlightenment opted for sociological considerations of the household and a new anthropology based on the passions Baroque discourse focused upon sexual relations among kin by marriage while Enlightenment and Romantic discussions worried the intimacy of siblings The first section of Part II deals with the six decades around 1900 during which European and American cultures obsessed about the sexuality of women Almost everyone concurred in the idea that mother made the family what it was that she configured the household kept the lines of kinship vibrant and stood at the threshold as stern gatekeeper and many thought that she managed these tasks through her sexuality and an eroticized relationship with sons Another story line taken up in the section Intermezzo this one about the physical and mental consequences of inbreeding appeared after 1850 To what extent do close kin marriages pose risks for progeny At its center lay the incest problematic now restated Is avoidance of kin genetically programmed Do all cultures know about risks of consanguinity As for the twenty first century evolutionary and genetic assumptions are challenged by a living world population containing roughly one billion offspring of cousin marriages Part III deals with one of the perhaps most remarkable reconfigurations of Western kinship in the aftermath of World War I The shift from an endogamous to an exogamous alliance system centered on the nuclear family An historical anomaly this family form began to dissolve almost as

soon as it came together and in the process shifted the focus of incest concerns to a new pairing father and daughter By the 1970s when the father daughter problematic swept all other considerations of incest aside that relationship had come to be modeled for the most part around power and its abusive potential As for incest its representations in the last three decades of the twentieth century no longer focused on biologically damaged progeny but rather on power abuses in the nuclear family sexual abuse By the mid 1990s Western culture at least partly redirected its gaze away from father and daughter towards siblings especially towards brothers and sisters and the sexual boundaries and erotics of their relationships Correspondingly siblings became a model organism for psychotherapy evolutionary biology and the science of genetics

Memory Alan Baddeley, Michael W. Eysenck, Michael C. Anderson, 2025-05-13 This key textbook now in its fourth edition provides students with the most comprehensive introduction to the study of human memory and its applications in the field Written by three leading experts it delivers an authoritative and accessible overview of key topic areas Each chapter combines breadth of content coverage with a wealth of relevant practical examples while the engaging writing style invites the reader to share the authors fascination with the exploration of memory through their individual areas of expertise Across the text the scientific theory is connected to a range of real world questions and everyday human experiences This new edition Has been fully revised and updated to address the latest research theories and applications including a new second chapter that acts as a one stop overview of the full range of neuroscience methods for studying memory Includes new or expanded coverage of collective memory spatial memory explicit and implicit memory episodic and autobiographical memory and the functional role of memory in more complex tasks It also features a greater emphasis on memory in the real world practical applications and the impact of memory research on everyday life Has been updated for more inclusive language and representation of people and research across race ethnicity sexuality gender identity and neurodiversity This edition of Memory is an essential resource for those embarking on their studies in this important field or with an interest in the topic

The Myth of Repressed Memory Elizabeth F. Loftus, Katherine Ketcham, 1996-01-15 Maintains that there is no controlled scientific evidence that memories of trauma may be recovered years later

Healing the Ravaged Soul Sue Magrath, 2016-02-15 Why does God hate me How can I believe in a God who has allowed my suffering These are just two of the difficult spiritual questions that survivors of child sexual abuse struggle with In addition survivors often have mixed feelings about the church because of perceived judgment and indifference their own shame or their discomfort with certain aspects of worship Of the many aftereffects of sexual abuse spiritual wounds are the least talked about yet they are central to adult survivors who seek to heal and find faith and meaning in their lives With grace and gentleness this book seeks to answer survivors spiritual questions and address some of the common misconceptions that often develop when young victims attempt to understand what has happened to them It explores the origins of their spiritual issues with clear psychological insights and guides survivors on a spiritual journey toward healing wholeness and a deeper relationship with God

Marriage Without Roi

Mary Alison,2022-05-25 The information about the book is not available as of this time **The Committed Professor, A Memoir** Kathi N. Miner,2024-05-10 Grateful does not even begin to describe how I felt about my life At forty years old I had a loving husband two amazing children a beautiful home and a fulfilling career as a college professor in psychology and women s and gender studies at a top U S university Most importantly I remained resolute in my principles and values of combating sexism and gender inequality in relationships and in society And it paid off big time or so I thought _____ In The Committed Professor A Memoir My Fall from the Lectern to the Psych Ward Dr Kathi N Miner tells the powerful true story of being married to a man with a double life of adultery the horrific narcissistic abuse that occurred after she filed for divorce and the related events that led her to being committed to a psychiatric hospital In her harrowing narrative she demonstrates the critical role patriarchy plays in the process of divorcing abusive men The Committed Professor A Memoir My Fall from the Lectern to the Psych Ward should be of interest to Anyone who has experienced or wants to learn more about narcissistic or psychological abuse by an intimate partner Anyone who has experienced or wants to learn more about narcissistic betrayal or divorce trauma Those with post traumatic stress disorder PTSD or PTSD related symptoms as a result of non physical abuse from an intimate partner Women in the midst of a martial separation or divorce from an abusive partner or who are considering leaving their psychologically abusive partner Academics and students in psychology women s and gender studies sociology law social relationships and health and well being Those who work in the family law system e g attorneys judges social workers etc Anyone who likes a good true story that is full of surprising twists and turns **Mother Jones Magazine** ,1993-03 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **The Autobiography of Trauma** Michelle Belliveau,2015-12-19 The Autobiography of Trauma is a look into the mind of mental illness as well as recovery The story follows a young woman and her struggle with the Monster inside of her head This story takes the reader on an adventure to look at how violent acts not only affect the victim but the family as well This book explores the reactions to violence the suffering and the pain as well as the different ways in which those incidences can be handled including the outcomes individuals can have The author s hope is that in reading about the pain contained within these pages the Monster can be understood As well it is her great hope that the information shared in this work of fiction can be used to inspire recovery and tolerance for mental illness within her community and beyond Michelle is also hoping that those fighting with their own Monster can see that they aren t alone and that families can stand together because the Monster tries to divide The Monster has many names many faces and many victims The Monster in this story is not unique to the girl but is everywhere and inside of many of us When you hear noises in the middle of the night that set your heart racing that voice in your head that s asking Are you safe is the Monster and it is waiting for you **Faith Reads** David Rainey,2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian

readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection *Parents in Charge* Dana Chidekel,2003 Chidekel answers parents difficult questions while providing a road map to raising children who will become responsible thoughtful and successful adults Full of uncommon wisdom and common sense this empowering guide offers practical solutions to everyday parenting dilemmas **Violence Against Women in the US** Maddy

Coy,2024-04-09 Analyzing what is known about violence against women this book centers on the contrast between the U S s historic focus on a criminal legal framework and the human rights lens used globally by feminist activists Distilling the existing evidence base and literature on violence against women in the United States this book includes an overview of forms of violence the prevalence of violence contexts in which violence occurs and debates about intervention and prevention It engages with how human rights frameworks define violence against women as a cause and consequence of women s inequality and explores how race ethnicity class citizenship status and sexual orientation shape experiences of victimization perpetration and institutional responses Chapters synthesize prevalence methods and data key feminist concepts impacts and aftermath of violence what is known about perpetrators the history of anti violence activism violence against women on college campuses and in the media and how the criminal legal systems respond Contested issues such as prostitution and pornography and the extent to which commercial sex can be understood as a form of and or context for violence against women are also explored The book closes with a final chapter offering directions for adopting a human rights approach to ending violence against women in the United States By offering an analysis of how violence against women has come to be named in activist policy and academic arenas *Violence Against Women in the US* is an essential resource for students scholars and practitioners **Proud Flesh** Catherine Simone Gray,2025-02-25 A searing portrait of a mother s body a

resurrection and reclamation of pleasure after abuse a study of intergenerational trauma and a love letter to the bodies of women as alive and unbound as the teeming Mississippi wilds that bear witness Four months postpartum with her second child Catherine Simone Gray is back at her doctor s office surveying a childbirth wound that refuses to mend Proud flesh tissue that overheals to become its own wound Pregnancy and motherhood had been physically vulnerable for Gray but this renders her most intimate parts unrecognizable like her body is no longer her own Has it ever been her own As she gets to know her body in its new form she encounters too the girl she d been at seventeen It was summertime in Mississippi wild pulsing with life when a man coerced her into an abusive relationship that would dominate her life for four years Told in parallel timelines *Proud Flesh* grapples with the legacy of intimate partner violence in motherhood With luminous prose and breathtaking viscerality Gray makes legible the ways that abuse can imprint on our body and seethe undetected for years She

lays bare unspoken truths that violence remaps how we connect with and care for our children That the pains of our mothers and our mothers mothers endure and can prowl the edges of our stories too That even amid pain our bodies can teach us new truths about our capacity to heal and experience pleasure Proud Flesh rewrites the body of the mother beyond the borders bold defiant and heart stoppingly true it s an unputdownable memoir and a force of nature *Gendered Wars, Gendered Memories* Ayşe Gül Altınay, Andrea Pető, 2016-04-06 The Introduction of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com/books/e/9781315584225> The twentieth century has been a century of wars genocides and violent political conflict a century of militarization and massive destruction It has simultaneously been a century of feminist creativity and struggle worldwide witnessing fundamental changes in the conceptions and everyday practices of gender and sexuality What are some of the connections between these two seemingly disparate characteristics of the past century And how do collective memories figure into these connections Exploring the ways in which wars and their memories are gendered this book contributes to the feminist search for new words and new methods in understanding the intricacies of war and memory From the Italian and Spanish Civil Wars to military regimes in Turkey and Greece from the Armenian genocide and the Holocaust to the wars in Abkhazia East Asia Iraq Afghanistan former Yugoslavia Israel and Palestine the chapters in this book address a rare selection of contexts and geographies from a wide range of disciplinary perspectives In recent years feminist scholarship has fundamentally changed the ways in which pasts particularly violent pasts have been conceptualized and narrated Discussing the participation of women in war sexual violence in times of conflict the use of visual and dramatic representations in memory research and the creative challenges to research and writing posed by feminist scholarship *Gendered Wars Gendered Memories* will appeal to scholars working at the intersection of military war memory and gender studies seeking to chart this emerging territory with feminist curiosity *Psychoanalytic Memoirs* Jeffrey Berman, 2022-11-17 The first book length study of the psychoanalytic memoir this book examines key examples of the genre including Sigmund Freud s mistitled *An Autobiographical Study* Helene Deutsch s *Confrontations with Myself* An Epilogue Wilfred Bion s *War Memoirs* 1917 1919 Masud Khan s *The Long Wait* Sophie Freud s *Living in the Shadow of the Freud Family* and Irvin D Yalom and Marilyn Yalom s *A Matter of Death and Life* Offering in each chapter a brief character sketch of the memoirist the book shows how personal writing fits into their other work often demonstrating the continuities and discontinuities in an author s life as well as discussing each author s contributions to psychoanalysis whether positive or negative **The Praeger Handbook of Victimology** Janet K. Wilson, 2009-08-25 This work is the first interdisciplinary compilation of entries related to the crime victim to encompass the breadth of the 70 year old discipline of victimology The *Praeger Handbook of Victimology* is the first full scale reference to encompass the full scope of the discipline of victim studies marking its evolution from an initial focus on homicide child abuse sexual assault and domestic violence to a more

wide ranging modern interpretation that includes hate crimes terrorism and cyber crimes such as online bullying stalking and identity theft The Praeger Handbook of Victimology offers an up to date portrait of its field including the latest research from criminal justice studies feminist studies and other disciplines as well as the changing views of the victim from law enforcement and the public at large The nearly 200 alphabetically organized entries cover everything from terminology unique to the field to victimizations relative to specific crimes to the extension of crime victim rights and victim interactions with the criminal justice system Victims advocates legal professionals students researchers or anyone fascinated by the impact of crime on society will find this a uniquely informative resource
