PNP MEMORANDUM CIRCULAR NO.:2021 -0 0 9

PROCEDURES IN THE CONDUCT OF TEST AND EVALUATION FOR BALLISTIC EYEWEAR

1. REFERENCES:

- a. Republic Act (RA) No. 9184 entitled, "An Act Providing for the Modernization, Standardization and Regulation of the Procurement Activities of the Government and for other Purposes and its Revised Implementing Rules and Regulations (RIRR)";
- NAPOLCOM Resolution No. 2018-429 entitled, "Approving the PNP UESB Resolution No. 2018-034 that Prescribed the Minimum Standard Specifications for Ballistic Eyewear;
- Performance Specification Military Combat Eye Protection (MCEP) System, MIL-PRF-32432A 11 September 2018; and
- Memorandum from TCDS/Chairman, NHQ BAC dated May 4, 2018 with subject: Protocol in the Conduct of the Pre-Delivery Inspection (PDI).

2. RATIONALE:

The Directorate for Research and Development (DRD), as an independent research facility of the PNP, shall conduct test of clothing, material, weapons, vehicles, and equipment required by the PNP.

3. SITUATION:

The recent development in Military Combat Eye Protection (MCEP) system has evolved to provide protection from dust, flying debris, and ballistic hazards both in training and in the battlefield while maintaining compatibility with existing Internal Security Operation equipment. Thus, testing of ballistic eyewear product has to be conducted to evaluate its quality and technical acceptability to ensure that the product meets or exceeds the protective standard and the other MCEP requirements and shall provide its users maximum protection from eye hazards.

Ballistic Eyewear candidates must conform with NAPOLCOM Technical Specifications to ensure that the ballistic eyewear issued to PNP operational units passed the safety standard.

Power Without Constraint Chris Edelson,2016-05-11 As a presidential candidate Barack Obama criticized the George W Bush administration for its unrestrained actions in matters of national security In secret Justice Department memos President Bush s officials had claimed for the executive branch total authority to use military force in response to threats of terrorism They set aside laws made by Congress even criminal laws prohibiting torture and warrantless surveillance Candidate Obama promised to restore the rule of law and make a clean break with the Bush approach President Obama has not done so Why In a thorough comparison of the Bush and Obama administrations national security policies Chris Edelson demonstrates that President Obama and his officials have used softer rhetoric and toned down legal arguments but in key areas military action surveillance and state secrets they have simply found new ways to assert power without meaningful constitutional or statutory constraints Edelson contends that this legacy of the two immediately post 9 11 presidencies raises crucial questions for future presidents Congress the courts and American citizens Where is the political will to restore a balance of powers among branches of government and adherence to the rule of law What are the limits of authority regarding presidential national security power Have national security concerns created a permanent shift to unconstrained presidential power

The Routledge International Handbook of Criminology and Human Rights Leanne Weber, Elaine Fishwick, Marinella Marmo, 2016-08-25 The Routledge International Handbook of Criminology and Human Rights brings together a diverse body of work from around the globe and across a wide

range of criminological topics and perspectives united by its critical application of human rights law and principles This collection explores the interdisciplinary reach of criminology and is the first of its kind to link criminology and human rights This text is divided into six sections each with an introduction and an overview provided by one of the editors. The opening section makes an assessment of the current standing of human rights within the discipline Each of the remaining sections corresponds to a substantive area of harm prevention and social control which together make up the main core of contemporary criminology namely criminal law in practice transitional justice peacemaking and community safety policing in all its quises traditional and emerging approaches to criminal justice and penality both within and beyond the prison This Handbook forms an authoritative foundation on which future teaching and research about human rights and criminology can be built This multi disciplinary text is an essential companion for criminologists sociologists legal scholars and political Comparative Criminology Hermann Mannheim, 2013-08-21 This is Volume II of fifteen in a series on the scientists Sociology of Law and Criminology Originally published in 1965 this textbook is part two of two meant for students and deals more fully than usual with such fundamental matters as the very concepts of crime and criminology and especially with the highly complex relationship between crime the criminal law and certain burning moral issues of our time It also includes several chapters on the methods of research used in criminological and penological investigations American Institute of Criminal Law and Criminology, 1923 Abstracts on Criminology and Penology ,1965 Bimonthly Abstracts of journal articles and monographs Covers material from psychiatric literature as well as from criminological sources Entries arranged in classified order Author subject indexes Handbook of Critical Criminology Walter S. Beyond Criminology
Paddy Hillyard, Christina Pantazis, Steve Tombs, Dave Gordon, 2004-09-20 Crime forms only a small and often insignificant
amount of the harm experienced by people While custom and tradition play an important role in the perpetuation of some
types of harm many forms of harm are rooted in the inequalities and social divisions systematically produced in and by
contemporary states Exploring a range of topics including violence indifference corporate and state harms murder children
asylum and immigration policies sexuality and poverty the contributors raise a number of theoretical and methodological

issues associated with a social harm approach Only once we have identified the origins scale and consequences of social harms they argue can we begin to formulate possible responses and these are more likely to be located in public and social policy than in the criminal justice system The book provides an original and challenging new perspective that goes beyond criminology one which will be of interest to students teachers and policy makers The Practice of Research in Criminology and Criminal Justice Ronet Bachman, Russell K. Schutt, 2013-02-14 Like its predecessors this Fifth Edition of The Practice of Research in Criminology and Criminal Justice by Ronet Bachman and Russell K Schutt provides complete coverage of the use and results of the contemporary methods employed in criminology and criminal justice research today Specifically designed for undergraduate and beginning graduate criminal justice courses and programs this text teaches research design and techniques within the context of substantive criminology and criminal justice issues of interest to students who will become professionals in the field Students learn about the wide realm of research methods available to them delve deeper into topics relevant to their field of study and benefit from the wide variety of exercises included in the text and on the student study website that help them practice as they learn **Justice for All** Charles MacLean, Adam Lamparello, 2022-03-30 Justice for All identifies ten central flaws in the criminal justice system and offers an array of solutions from status quo to evolution to revolution to address the inequities and injustices that far too often result in courtrooms across the United States From the investigatory stage to the sentencing and appellate stages many criminal defendants particularly those from marginalized communities often face procedural and structural barriers that taint the criminal justice system with the stain of unfairness prejudice and arbitrariness Systematic flaws in the criminal justice system underscore the inequitable processes by which courts deprive citizens of liberty and in some instances their lives Comprehensive in its scope and applicability the book focuses upon the procedural and substantive barriers that often prohibit defendants from receiving fair treatment within the United States criminal justice system Each chapter is devoted to a particular flaw in the criminal justice system and is divided into two parts First the authors discuss in depth the underlying causes and effects of the flaw at issue Second the authors present a wide range of possible solutions to address this flaw and to lead to greater equality in the administration of criminal justice. The reader is encouraged throughout to consider and assess all possible options then defend their choices and preferences Confronting these issues is critical to reducing racial disparities and guaranteeing Justice for all Describing the problems and assessing the solutions Justice for All does not identify all problems or all solutions but will be of immeasurable value to criminal justice students and scholars as well as attorneys judges and legislators who strive to address the pervasive flaws in the criminal justice system Criminal Iustice and Criminology Research Methods Peter Kraska, John Brent, W. Lawrence Neuman, 2020-12-30 Criminal Justice and Criminology Research Methods Third Edition is an accessible and engaging text that offers balanced coverage of a full range of contemporary research methods Filled with gritty criminal justice and criminology examples including policing corrections evaluation research forensics feminist studies juvenile justice crime theory and criminal justice theory this new edition demonstrates how research is relevant to the field and what tools are needed to actually conduct that research Kraska Brent and Neuman write in a pedagogically friendly style yet without sacrificing rigor offering balanced coverage of qualitative quantitative and mixed methods With its exploration of the thinking behind science and its cutting edge content the text goes beyond the nuts and bolts to teach students how to competently critique as well as create research based knowledge This book is suitable for undergraduate and early graduate students in US and global Criminology Criminal Justice and Justice Studies programs as well as for senior scholars concerned with incorporating the latest mixed methods approaches into their research Contemporary Masters in Criminology Joan McCord, John H. Laub, 2013-11-11 Reflecting a diversity of thought and intellectual power this unique volume provides undergraduate students with an important historical context and demonstrates the continuity of many issues in the fields of criminology and criminal justice Commemorating the fiftieth anniversary of the American Society of Criminology this volume contains previously published articles by the society s president many of whom are the leading thinkers in the field Articles examine the philosophy of punishment policing the politics of crime and crime control criminological theory drug use white collar crime female crime the study of deviance parole prediction studies and criminal justice policy
