

Everyday Math

Calendar Routine Posters

1. Print on cardstock
2. Cut and paste on matching colored construction paper
3. Have each poster laminated
4. Attach to calendar area bulletin board

*Because these are laminated, you or your students could write on these with dry erase markers. Erasing with a magic eraser seems to work best!

*I place a piece of Velcro on the "Today's weather is" chart and a piece of Velcro on the back of each weather square.

*I reuse the weather tally chart from month to month, but do record each month's weather on a copied weather tally chart so that we can save and compare the months' weather patterns.
