Finding Hope Generations Of Hope Volume 1:

Malachi: Finding Hope in the Midst of Adversity Dr. Terry W. Dorsett, 2012-04-10 Rediscover this Old Testament book of Malachi. Midst the pronouncements of coming judgment is a thread of hope that helps Christians understand the refining process of adversity. What are those blessings God pours out from heaven? How do we obtain them? Dr. Dorsett explains in seven practical and theologically sound lessons that will challenge your Bible study group. RELIGION Christian Education Adult **Find Hope** Zondervan Bibles, 2010 Find Hope and Find Love two additions to the NIV VerseLight Bibles series comes with select verses of Scripture highlighted in blue so that readers can easily find the words they need to hear when they need to hear them **Finding Hope in Hardship** Shonn Keels, 2022-04-05 With the lingering effects of the global pandemic Finding Hope in Hardship is an answer to experiencing God's peace in the midst of pain and uncertainty **How Healed Do You Want to Be?: Finding hope and wholeness in a sharp-edged world** William T. Faris, 2009 It is a sharp edged world and getting hurt is unavoidable. Whether it is physical, spiritual, or emotional, we all experience pain on some level and are left with trying to pick up the pieces. What do we do? How do we move forward? Do we want to merely get bandaged up so we can get back into the game? Or do we want something so powerful and miraculous that it leaves us better than when we first experienced pain? In *How Healed Do You Want to Be?* author William Faris explores the world of healing from a different perspective, defining the true nature of healing and challenging the reader to ask those tough questions that help us discover the deep healing God has for our lives. He lays out a biblical road map that helps those on this journey find a healing that leaves them in better shape than when one of the sharp edges from the world first found them.

Rediscovering Philo of Alexandria: Michael Leo Samuel, 2017-03-27 Philo is one of the great thinkers of the ancient world yet he no longer remains enigmatic to biblical interpreters. I enthusiastically recommend *Rediscovering Philo of Alexandria*. Dr. Marvin Wilson, Professor of Biblical and Theological Studies, Gordon College, Wenham, MA, Philo proves to be a staunch supporter of the classical approach to biblical characters, immediately and unequivocally defending them and dispelling any possible negative interpretation of their behavior. In situations where such mainstream commentaries as Nachmanides or Rabbi S. R. Hirsch find fault in the behavior of the matriarchs or patriarchs, Philo is quick to defend. In fact, there are many instances in which he inserts a virtuous spin on seemingly neutral situations. Rabbi Leo Samuel has done an outstanding service both to Philo and to modern readers. In *Rediscovering Philo of Alexandria*, Philo's ancient Torah commentary becomes readable and meaningful, exciting and contemporary. I look forward to future volumes. Rabbi Ari D. Kahn, *Echoes of Eden on the Pentateuch*. The intellectual fecundity of Philo's era was remarkable. He lived at one of the most creative periods of Western Civilization as two of the greatest traditions, Semitic and Greek, were continuing to winnow the useful insights of their counterpart's teachings while they refined their own modes of thoughts and religious expression. Philo became Hellenistic Judaism's greatest philosopher and was the first ancient Judaic thinker to compose a commentary on the

Torah His style of interpretation included the exegetical legal linguistic proto midrashic and theological strands of 1st century Jewish thought Reading Rediscovering Philo of Alexandria offers the reader a glimpse into the unknown world of 1st Hellenistic Judaism which in many ways resembled the Western world we now inhabit Michael Leo Samuel has meticulously culled from all of Philo s exegetical remarks arranging them according to the biblical verses He provides extensive parallels from the corpus of rabbinical literature Greek philosophy and Christian theology in presenting how Philo impacted the great minds of Late Antiquity and beyond Keywords Books Religion Spirituality Judaism Sacred Writings Torah Bible Study Reference Commentaries Old Testament Mystical Torah Middle Platonism Hellenistic Jewish Philosophy *Finding Hope in This World of Turmoil* Trevor Bartley, 2016-09-24 The resurrection message is the most important part of our belief system Without the truth of the resurrection message our faith is just another religion with no real substance The Resurrection sets Christianity apart This book is dedicated to establishing this truth The extent of the work of Christs resurrection is staggering However if there is one topic that is the central message of the Bible it is the sacrifice of Christ The Old Testament looks forward to it whereas the New Testament looks back at it We must be extremely careful not to allow these two ordinances to become routine in our Christian life communion and baptism and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection The greatest gift that anyone can be given is eternal life and the one that made that possible is Jesus In Christ we have victory provided we see ourselves dead to sin and raised together with him Even so consider yourselves also dead to sin and your relation to it broken but alive to God living in unbroken fellowship with Him in Christ Jesus Romans 6 11 AMP I have been crucified with Christ in Him I have shared His crucifixion it is no longer I who live but Christ the Messiah lives in me and the life I now live in the body I live by faith in by adherence to and reliance on and complete trust in the Son of God Who loved me and gave Himself up for me Therefore I do not treat Gods gracious gift as something of minor importance and defeat its very purpose I do not set aside and invalidate and frustrate and nullify the grace unmerited favor of God For if justification righteousness acquittal from guilt comes through observing the ritual of the Law then Christ the Messiah died groundlessly and to no purpose and in vain His death was then wholly superfluous Galatians 2 2021 AMP We need to remember that the story doesnt end with Jesuss death He is currently in heaven in his resurrected body and one day he will return The resurrection of Jesus was an act of the supreme love of God Remember our identification is in who we are in Christ and his resurrection The Bible tells us in John 14 12 that the things Christ has done we can do and greater than these we will do because he goes to the Father The resurrection demonstrated Jesuss victory over the power of death and confirms there is life beyond the grave Jesus Christ offers us a resurrection power beyond ourselves that can make us alive it empowers us to overcome the limitations of this realm with an infused ability as we focus on the Spirit of power working within us I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me **NIV, Find Hope: VerseLight Bible** Zondervan, 2011-04-19 Find Hope is a complete
