latest book is a breakthrough both in astrology and psychology The Astrology of Family Dynamics makes for gripping reading and shows us that astrology is the only system that demonstrates the complexities of the family as an organic whole the family's place in the collective and the role an individual plays in carrying on the ancestral line Sullivan writes with compassion and accuracy weaving together various methods of analyzing and working with individuals and their families *Neoliberalism*

and Young Adult Fiction Sean P. Connors, Roberta Seelinger Trites, 2025-03-17 In the twenty first century the influence of neoliberalism the belief that society benefits when both individuals and corporations are free to maximize their talents in the service of responding to social needs and problems resonates through all domains of human life And yet little critical study has been given to the reproduction of a neoliberal social order in YA literature *Neoliberalism and Young Adult Fiction*

Exceptionalism Exploitation and Erasure examines how some YA literature naturalizes neoliberalism in positioning teenagers as self enclosed competitive individuals At the same time however the authors also examine other YA novels as potential sites of resistance that acknowledge teenagers agency to reject neoliberalism's destructive impulses and to work for social justice and equality through collective action With that in mind the authors of *Neoliberalism and Young Adult Fiction* analyze such concepts as how the exceptionality of specific characters who embody neoliberal ideals leads to self enclosed individualism and how environmental exploitation and consumerism lead to destructive effects The book progresses to an in depth examination of how racism undergirds US neoliberalism and environmental exploitation From scrutinizing racism and the rejection of neoliberalism inherent in the antiracism movement the study turns to an examination of gender specifically focusing on the relationship between sexism exploitation and embodied rejections of patriarchal thinking Indeed erasure is

implicated in racism sexism and all forms of discrimination that are borne of exploitation Finally youth activism with its rejection of neoliberal ideologies leads to a culminating chapter about how global youth link YA literature to their protest movements

The Emperor and the Endless Palace Justinian Huang, 2024-03-26 Stonewall Book Award Winner 2025 A sweeping triumph in queer romance Booklist What if I told you that the feeling we call love is actually the feeling of metaphysical recognition when your soul remembers someone from a previous life In the year 4 BCE an ambitious courtier is called upon to seduce the young emperor but quickly discovers they are both ruled by blood sex and intrigue In 1740 a lonely innkeeper agrees to help a mysterious visitor procure a rare medicine only to unleash an otherworldly terror instead And in present day Los Angeles a college student meets a beautiful stranger and cannot shake the feeling they've met before Across these seemingly unrelated timelines woven together only by the twists and turns of fate two men are reborn lifetime after lifetime Within the treacherous walls of an ancient palace and the boundless forests of the Asian wilderness to the heart pounding cement floors of underground rave scenes our lovers are inexplicably drawn to each other constantly tested by the worlds around them As their many lives intertwine they begin to realize the power of their undying love a power that transcends time itself but one that might consume them both An unpredictable roller coaster of a debut novel The Emperor and the Endless Palace is a genre bending spicy romantasy that challenges everything we think we know about true love

AUTHOR'S NOTE The Emperor and the Endless Palace is a heart pounding romantasy full of shocking twists morally shifty characters and erotic thrills When it comes to the romance within this novel you can expect equal parts mess and swoon but its central thread is an epic tale of true love against all the odds

 the very best of the best books for young adults published since the start of the 21st century Videogames and the Gothic
 Ewan Kirkland,2021-10-01 This book explores the many ways Gothic literature and media have informed videogame design
 Through a series of detailed case studies Videogames and the Gothic illustrates the extent to which particular tropes of
 Gothic culture neo medieval aesthetics secret filled labyrinthine spaces the sense of a dark past impacting upon the present
 have been appropriated by and transformed within digital games Moving beyond the study of the generic influences of horror
 on digital gaming Ewan Kirkland focuses in on the Gothic a less visceral mode tending towards the unsettling the uncertain
 and the uncanny He explores the extent to which imagery storylines and narrative preoccupations taken from Gothic fiction
 facilitate the affordances and limitations of the videogame medium A core contention of this book is that videogames have
 developed as an inherently Gothic form of popular entertainment Arguing for close proximity between Gothic culture and the
 videogame medium itself this book will be a key contribution to both Gothic and digital game scholarship as such it will have
 resonance with scholars and students in both areas as well as those interested in Gothic novels media and popular culture
