Saucier, 1985 **Easy Microsoft Office FrontPage 2003** Ned Snell, 2003 Easy Microsoft FrontPage 2003 takes the work out of learning Microsoft FrontPage 2003 by using short easy to follow lessons that show you how to accomplish basic tasks quickly and efficiently It is the perfect book for beginners who want to learn to use FrontPage 2003 through a visual full color approach More than 100 hands on lessons are designed to teach the easiest fastest or most direct way to accomplish common tasks The book is suited for new FrontPage users as well as those upgrading from an earlier version **The Manual of Inter-church Work** Federal Council of the Churches of Christ in America. Commission on Inter-church Federations, 1917 Issues in African Education A. Abdi, A. Cleghorn, 2005-11-04 This book addresses major sociological issues in sub Saharan African education today Its fourteen contributors present a thoroughly African world view within a sociology of education theoretical framework allowing the reader to see where that theory is relevant to the African context and where it is not Several of the chapters bring a much needed cultural nuance and critical theoretical perspective to the issues at hand The sixteen chapters thus aim to be of interest internationally to those who work in such fields as social and political foundations of comparative and international education and development studies including university professors teacher educators researchers school teachers tertiary education students consultants and policy makers **Military Review** ,2008 **Photographer's Guide to the Leica**

D-Lux (Typ 109) Alexander White, 2015-03-15 With the release of Photographer's Guide to the Leica D Lux Typ 109 White Knight Press provides a complete guide to the use of this advanced compact camera. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the D Lux. The book explains the camera's controls for autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, as well as many other settings. The book also discusses the D Lux's numerous options for playback, setup, and customizing the operation of its various buttons and other controls. The book contains more than 350 color photographs showing the camera's controls, display screens, and menus. The book includes examples of photographs taken using the creative settings of the camera, including the Photo Style settings, the Filter button, picture effects, which provide the ability to customize the appearance of images in dramatic ways, and the camera's features for continuous shooting and shooting in high contrast lighting conditions. The book also includes a full discussion of the video recording abilities of the D Lux camera, which offers manual control of exposure and focus during movie recording and which provides ultra high definition 4K recording of motion pictures. In three appendices, the book provides information about accessories for the D Lux, including cases, external flash units, and other items, and includes a list of web sites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera's features in the most efficient ways possible.
