Napoleon (Silver Edition) Wayne Kyle Spitzer,2021-10-20 The steel mesh started to break first one joint then another Napoleon stood sideways on the fence like a parrot his splay toes gripping the bars He braced himself with his legs and pulled at the grid with his teeth The muscles of his neck rippled his growl was a steady trill Metal squealed as he peeled a section back Lightning flashed nearby followed by a crack kaboom In the wash of light the man saw the dinosaur looking at him Glaring at

him Its color had gone blood red He dropped the shock prod and swallowed tasting bile His head was swimming he felt nauseated The game had gone far enough he realized He had to end it he had to end it now He stepped back over to the control box and flipped it open sought out the RUN ELECTRIFICATION button He punched it with the bottom of his fist The air seemed to vibrate and sparks exploded beneath Napoleon s hands and feet The dinosaur was knocked off the fence instantly It crashed into the mud with a tremendous splash and writhed violently Then it struggled to its feet and latched onto the fence again Sparks popped and spit there was the smell of burnt flesh Napoleon backed off cocking his head His foreclaws opened and closed He sniffed at the electrically charged air and at the ground His left foot was smoking He didn t approach the fence again The man stepped closer and peered through the mesh You re learning aren t you he said and scooped up the shock prod from the mud He wiped it on his lab coat You re learning not to mess with me aren t you Napoleon looked at him then shifted his neck to the side oddly He was looking at something behind the man something low to the ground The man turned around There was nothing there but the steel hatch to the feeding shaft set into concrete like an oversized manhole cover It was dotted with dried blood and padlocked heavily He turned back to Napoleon dismissing the behavior and found the dinosaur craning to look behind itself Its head was cocked as though listening to something The man exhaled he was tired of playing dino games Well he began preparing to prod it a final time here s one for the road A pair of headlights suddenly appeared in the distance from the direction the T was looking They were moving through the blackness out beyond the perimeter winking in and out between trees The man glimpsed the car as it passed beneath a street light it was a sleek white Saturn the kind employed by Atrax Security Its bluish spotlight scanned the area S O Trevor was making his nightly perimeter check The man s pulse quickened He glanced at his watch but had to swipe a palm across it to read it clearly It was 11 19 Damn Now what His heart pounded Get out of here He triggered the run doors and they rattled up out of the way Napoleon swung his head around and peered down the shaft His little hands opened and closed his tail moved back and forth He strode from the run abruptly descending the ladder into his habitat The man shut the doors Then he took the flap of bent mesh in both hands and tried to straighten it It was no use he decided at length The stuff was stronger than it looked He gave up and headed for the stairs Levi burst into the shop Trevor was already coming up the hallway his spit polished shoes clicking over the tile his keys jingling in perfect sync Damn Levi thought The bastard s log would put him on Blue Level at 11 20 a full 10 minutes behind schedule He took up his mop and started mopping A moment later Trevor stepped into the room Hey Levi Levi looked up as if startled Trevor How goes it The guard shrugged Same as always How are He paused looking down Forget your hip waders or something **Napoleon** Wayne Kyle Spitzer,2018-10-23 Lightning flashed above them and thunder cracked It was a sharp ragged sound like the crunch of a busting tree trunk The man flinched and Napoleon turned to face him The two of them stared at each other through the rain and the steel mesh So we meet again the man joked He expected the sound of his voice would set the animal off But nothing happened The man

swallowed I know you can see me he said at last and found he had to holler just to pierce the storm s din I know you can see me because I can see you The Nano T didn t move The man laughed brusquely and shook his head What s the matter forget about last night Rain pounded on metal and roared down the gutter The T remained still Why wasn t it attacking Was it wary of the shock prod Was it sick He readied his thumb over the prod s switch There was only one way to find out The Nano T dipped its head to the ground suddenly sniffing the mud and the man hesitated He withdrew the prod and shuffled forward peering through the mesh It wasn t mud the animal was sniffing It was its own Something wet and foul hit the fence splattering and the man jerked away The T s narrow muzzle darted between the bars and slammed to a stop Its teeth gnashed the fence shook Its eyes stared out at him from its wide head their golden coronas close to the mesh The man fumed it had flung its shit at him He hit the LADDER DOORS plunger and the PADDOCK plunger simultaneously Steel pulleys whirred and iron doors slammed into the mud Napoleon pulled back from the mesh bleeding He looked at the closed gates owlsh eyes blinking and brushed at his lacerated snout with a fore claw The man closed the control box and jabbed him in the hip with the prod The Nano T jumped squealing and banged its head on a crossbeam Hot orange sparks rained down in the mud The man laughed his mouth hung wide and struck the animal again Napoleon howled at the sky
